

STTP On "Mechatronics and automation: fundamentals and hands on" was held on 2nd, 3rd and 4th May 2013. STTP was conducted through IIT Bombay and held at GIT, Lavel. Program was coordinated by Prof. P.S. Gandhi Department of Mechanical Engineering Office of Continuing Education & Quality Improvement Programmes Indian Institute of Technology Bombay, Powai.

Inauguration function was held before programme starts by the hands of Mr.Kalake, Head Engineering Gharda Chemicals Limited, Lote, Dombivali and Jammu

Venue of STTP: Physics Hall (B Wing), GIT, Lavel.

Objective of Program:

Because of increasing demand on quality and productivity of products and services, the industrial dynamics is changing rapidly on several fronts including economics, research, and technical knowledge and so on. To match these demands of increased quality at lower cost, automation is inevitable. Toward this goal, our engineers need to acquire the knowledge in the field of automation and mechatronics. With this motivation, the proposed 3-day course is designed to offer fundamental, theoretical and practical knowledge base in automation and mechatronics.
