

STUDY TOUR OF SECOND YEAR MECHANICAL ENGINEERING STUDENTS AT IIT BOMBAY TECHFEST 2013

Study Tour of S.E Mechanical Engineering students at IIT Bombay for national event "TECHFEST 2013" ON 4th January 2013.

There were total 35 students accompanied by 3 staff members.

This visit will have given our students a preview of breadth of Mechanical Engineering and help them to visualize their chosen profession.

So many technical projects prepared by students of IIT Bombay have helped to our students to visualize scope in their technical career.
