

“Engineering Internship” Program at GHARDA CHEMICALS LIMITED,LOTE

“03-days Engineering Internship Program” was conducted at Gharda Chemicals Limited, Lote on 7th, 8th and 9th of January 2013. Program of Engineering Internship was specially organized for Third Year Mechanical Engineering Students. It was very useful and helpful program for them to aware about industrial culture. Mr. Shrinivas Kulkarni, Maintenance Manager played vital role as a Instructor during Internship program. Most valuable contribution in giving information regarding Interpersonal Skills by Mr.Kulkarni sir. There were few interactive sessions those clarified most doubts of students of Mechanical Engineering. Also Mr. Yogesh Kadu, GIT Aluminee guided students to know them Technical aspects of the industry.

Total Number of Students present: 46 (Batch Wise)
