

In the department of **Chemical Engineering**, since last three years the **SPACE** activity has been started. Different activities have been performed from last three years like tree-plantation, Fresher and farewell to students, Guest lecture for students etc. Under this activity in the month of Feb 2013, Appreciation programme for chemical engineering students for winning the **Championship Trophy** in GIT were organised by department through space on **Saturday, 09/02/2013** at **Physics Hall** from 3.00 pm to 4.00 pm.

The programme was started at sharp 3.00 pm. Initially, the felicitation of **Prof. S. D. Dalvi (HOD), Dr. G. M. Joshi, and Dr. J. P. Tandale** has done by the faculties. Then programme was continued with the motivative speech by **Prof. S. D. Dalvi** followed by **Dr. G. M. Joshi** and **Dr. J. P. Tandale**. Then felicitation of captains of different games has been done by **Prof. S. D. Dalvi**. Finally, the programme was ended with vote of thanks and refreshment.
