Lavel, Khed, Dist: Ratnagiri, Pin: 415708

CONFERENCE
ON
“Digitization in Teaching Learning Process”
(8th January 2016)

Organized by
Gharda Institute Of Technology
Website: www.git-india.edu.in
ABOUT GIT

The principle objective of the Gharda Foundation is "To carry on activities for the benefits and development of residents of rural India by application of all suitable means available with focus on issues like health, literacy, non formal education, social awareness, agriculture, technical education etc. on its own or by joining hands or by helping likeminded NGO's". Establishment of Gharda Institute of Technology in a typical rural sector is also a step in line with the philosophy of Gharda Foundation. GIT has provided good infrastructure, modern equipments, advanced laboratories, experienced & dedicated teachers, modified syllabus to suit changing environment, hands on workshop by collaborating with foreign universities and arranging for pre-entrance preparatory workshops.

HOW TO REACH GIT

ABOUT THE CONFERENCE

An important initiative has been taken by Gharda Institute of Technology, Lavel to enhance the teaching-learning process using digitization. This conference is arranged to give an open platform for discussion with all the junior college principals and teachers. The main motive of this conference is to minimize the gap between traditional learning process and interactive digitalized learning process. This conference will play a role in increasing the number of career oriented students.

FACILITIES FOR CONFERENCE:

- Accommodation is free of cost if required.
- Transportation is available from Khed and Chiplun.
- Banquet is available.
- Participants can view all engineering laboratories.
- Open discussion platform with experts.

CONFERENCE TIME:
