**GHARDA FOUNDATION'S
GHARDA INSTITUTE OF TECHNOLOGY**

Quality Education at Affordable Cost

The principle objective of the Gharda Foundation is "To carry on activities for the benefits and development of residents of rural India by application of all suitable means available with focus on issues like health, literacy, non formal education, social awareness, agriculture, technical education etc. on its own or by joining hands or by helping like minded NGO's".

Establishment of Gharda Institute of Technology in a typical rural sector is also a step in line with the philosophy of Gharda Foundation.

GIT has provided good infrastructure, modern equipments, advanced laboratories, experienced & dedicated teachers, modified syllabus to suit changing environment, hands on workshop by collaborating with foreign universities and arranging for pre-entrance preparatory workshops.

All this provided at a reasonable cost may be with arrangement of loan facilities with subsidized interest rates. Hence the said institute within a couple of years emerged as a premier institute in the eyes of government & businessmen.

**Institute of Engineers (India)
Belapur Local Centre**

The Council of IEI set up Belapur Local Centre (BLC) in May 1994. Ever since its Inception, BLC is vibrant with active participation from its office bearers and ever increasing members. BLC is situated in a 1000 Sq.Meters plot in Sector 15, Central Business District(CBD), close to Belapur Railway Station in Navi Mumbai.

IEIBC Building was designed by the reputed architects, M/s.Shashi Prabhu & Associates. It consists of a stilt with 5 floors at estimated cost of Rs.100 lakhs (as of 1994). Building work has been executed in phases, largely due to benevolent corporate funds in addition to contributions from members and assistance from various agencies.

At present, IEIBC has over 1000 members comprising of engineers from 17 Divisions (Civil, Mechanical, Electrical, ET, Computer Engg, Architecture, Mining, Textiles...). These high profile engineers are from Thane, Raigad, Navi- Mumbai etc. IEIBC organizes series of lectures, speeches, workshops, seminars, symposia etc., to disseminate knowledge and create a platform for exchange of technical ideas between members, non members, with participation of a number of leading companies and organizations. IEI BLC is active is organizing seminars guest lectures and workshop, guidance classes for AMIE examination, support to student chapters for conduction of various activities, industrial visits, national level seminars under divisional board activities, publication of quarterly newsletter.
