“KNOWLEDGE CONVERTED THROUGH PRODUCTS TO WEALTH FOR THE GOOD OF SOCIETY.”

..... **Padmashri, Dr. K. H. GHARDA**
Chairman, Gharda Foundation

To offer quality education at an affordable cost, Padma Shri, Dr. Gharda, a successful businessman, internationally acclaimed scientist, visionary and a great lover of books & education, conceived an ambitious project of Gharda Institute of Technology under the banner of Gharda Foundation at a scenic location of Lavel in Ratnagiri district of Maharashtra for the benefit of ambitious and intelligent students of rural region, aspiring to become engineers.

Message from the Principal **Dr. Pramod B. Patil**

Academic institutions must develop a culture and an environment in order to grow and achieve excellent excellence. With this purpose in mind, GIT has been active in academic projects since the beginning. During the epidemic, the institute held online classes and recorded all of the lectures and practical sessions for the students who were unable to attend owing to network issues. Along with frequent coaching, we've started meeting one-to-one with the students to improve their academics and overall performance. Teaching-learning process is the backbone of any institution, we focused on the teaching-learning process throughout the academic year. The Area Adoption Program is a programme that fosters a sense of belonging among staff & students. Every month, all departments began conducting project reviews of final-year students, which improved their presentation skills, technical knowledge, and overall performance. Internships in the industry, premier institutes and industrial visits ensure that students gain a holistic understanding of the subjects being taught. Department classrooms & laboratories are available for student projects and other curricular activities along with internet facility. A variety of cultural programmes for overall personality development ensures that an ecosystem for a bright career exists. The green atmosphere is ideal for both resident students and day learners. Best of luck to all of the students in their future endeavours.

ABOUT THE INSTITUTE

Gharda Foundation's Gharda Institute of Technology (GIT) was established in the academic year 2007-08. GIT is committed to offer not only proper engineering education, but also look after over-all development of the students. GIT assures to go beyond syllabus and classroom lectures so as to have proper exposure and understanding to every student.

Accreditation by "NAAC"

The NATIONAL ASSESSMENT AND ACCREDITATION COUNCIL (NAAC) has accredited GIT with A grade. Accreditation is Valid till 2028. This is the first Engineering college from Konkan Region to get such Accreditation. The Accreditation is a Performance Indicator of Quality of Teaching-learning methods and infrastructural facilities provided to students.

OUR VISION

To play a distinct role in transforming individuals into engineering professionals for betterment of society.

OUR MISSION

1. Impart knowledge through relevant curricula.
2. Develop skills to apply knowledge to profession for the betterment of society.
3. Create awareness and understanding of continuous learning .

FEES:

1. Tuition & Development Fees for First Year & Direct Second Year Engineering: Rs.1,17,000/- (Tentative)

1. ACADEMIC PROGRAMS

GIT offers 4-year B.E. degree courses in the following 6 branches as per the syllabus prescribed by the University of Mumbai.

Course	Intake
Chemical Engineering	60
Mechanical Engineering	30
Computer Engineering	60
Computer Science and Engineering (Artificial Intelligence and Machine Learning)	60
Civil Engineering	60
Electronics and Telecommunication Engineering	30

2 INFRASTRUCTURE

GIT has excellent infrastructure facilities such as spacious class rooms, laboratories, tutorial rooms, workshop, well equipped state of art computer centre, library, staff rooms, Auditorium with 500 seating capacity, having facility to split it into two parts. Open auditorium for cultural programmes, an air-conditioned seminar hall, student activities room, etc.

2.1 The Central Library

Our institute has separate library building with a stock of approx 20,965 books including reference books, 35 Print Journals and 4073 + e-journals, Daily Newspapers 12, UG Project Reports 276, CD/video 1210. Library has open access and has two large reading rooms having a seating capacity of 260 students at a time. We also subscribe for sufficient quantity of National & International Journals. Our digital library has an area of about 375 Sq. mtrs and variety of other resources. Digital Library at GIT facilitates intranet access to sample question papers of University of Mumbai for the courses offered by the institute, e-books, VCDs on Communication Skills and research publications of the faculties.

Library

We also provide access to DELNET and selected ELSEVIER journals. Guidance and assistance is available from any member of the library staff.

The library offers many services besides the basic book-borrowing facility, such as

- Photo Copying
- Scanning
- E-Library
- Reference Service
- NPTEL Online courses from IIT
- Electronic Learning Resource Centre (ELRC)
- Colour printing
- Book bank for minority students
- Study Room
- Orientation Programs

Library

Rental Book Bank Scheme :-

Book bank facility is available for First Year students on rental basis. The semester-wise book set is provided on nominal rent basis to students on "First-come-First" basis. Interested students may contact Librarian for details.

2.2 The Laboratories

GIT has state of art laboratories, equipped with latest instruments, computers, servers, as well as most modern software required to instruct the students and carry out prescribed practicals to complement classroom learning. Students have access to this excellent facility, complimented by 24-hour internet connectivity. The resources and facilities of all the GIT labs are befitting the excellent reputation and standards set by the institute. We provide an efficient and effective support to students in their pursuit of academic excellence.

LABORATORIES**Chemical****Mechanical****Computer****E&TC****Civil****Workshop****2.3 Computer Centre**

The college has a fully equipped computer centre with latest state-of-art computers & softwares and Internet connectivity with 4 Lease Line connections (120 mbps) available for 24x7.

2.4 Other Infrastructure

- Well-equipped Laboratories, Workshop & Drawing hall
- Seminar Hall with LCD Projector
- Language Lab with Lingua-phone softwares
- Virtual Classroom
- Intranet Campus
- E- Learning Resource Centre
- Multimedia Teaching
- CNC Machine
- 3D Printer
- Hostel facility for students
- Video Conferencing Facility
- Bank with 24-hour ATM facility
- Wi-Fi Campus
- Total area covered by CCTV cameras
- Big play ground
- Gymnasium
- Beauty parlor at Girls hostel
- Consumer store

3 BEST PRACTICES

3.1 Mentoring

Mentorship programme of the institute guides and counsel students in academic, non-academic matters including personal domain to achieve their best in life. In particular, the scheme aims at addressing deficiencies in attitudes, habits and knowledge of the students regarding study and learning.

3.2 Guidance to academically weak and strong students

All subject teachers choose five scholar and five academically poor students in their respective subjects. They take the overview of students' performance in Sessional and University examination. Teacher and respective student spend their extra time together discussing problems and possible solutions with each other. It helps poor students for their understanding of a particular topic

3.3 Extra Lectures

GIT conducts extra lectures with a view to complete University Syllabus.

4 VTP (Vocational Training Centre)

GIT has a Vocational Training Centre VTP which is approved by MSSDS. VTP offers various skill development Programs such as Hardware & Networking, Carpentry, etc.

6 PLACEMENTS

A dedicated Training & Placement officer along with Departmental TPO coordinators assisted by Student Coordinators is the formulation of this Cell. Training activities right from First year engineering students to final Year Students is planned & conducted throughout the year. The Cell closely works with Industry to analyse the Industry required skills sets. Various skills enhancement programs in association with outside organisations is carried out to make the students Industry employable. Following are the training program carries out throughout the year.

Sr No	Area of Collaboration	Industries / Organization
01	Training and Skill Development	Global Talent Track , RedHat Academy, Huawei Academy
02	Research Projects	GSRF, Gharda Chemicals, Vinati Organics , IIT Bombay, CITARA
03	Incubation Centre	OpEx Startup Accelerator , N-RIT
04	Technology Upgradation	Indian Institute of Remote Sensing , E-Yantra, Cypress Semiconductors
05	Professional Society	ISHRAE Student Chapter , IE , CSI Chapter
06	Innovation & Product Development	MHRD IIC , IES Forum , GSRF

Outcome of Industry Collaboration

Industry Advisory Board	Skill Development Courses	Sponsored Projects	Sponsored Laboratories	Industry Visits
Consultancy Projects	Curriculum Design	Summer Training	Internships	Campus Placements

T&P Cell of the College also arranges Experts Talks, Pre- Placements Talks, Internships Drives, Hackathon , coding competitions for the students every year. MOU's with more then 15 + industries makes the students exposed to real life Industry problems, Corporate Culture, Ethics & on the Job Training. GATE preparedness , Higher education trends & Culture , Competitive Exam Cell , Entrepreneurship Development Cell are integral part of the T&P Cell. T&P Cell is dedicated for the Holistic development of Students.

GIT Placement Procedure

- 7** The management of GIT believes in overall growth of students. For this purpose, students are encouraged to participate in indoor & outdoor games and activities like debates, quizzes, dramas, singing, etc. Excellent facilities are provided in the campus for outdoor games like football, volleyball, cricket, badminton, etc. as well as for indoor games like table-tennis, carom, etc.

Festivals, viz. "Shodh ", a technical festival and "Synergy", a cultural festival; are celebrated every year with great enthusiasm and funfair, with full participation of student s, who get an opportunity to show their hidden talents in all the above activities under the guidance of the college staff.

8 CANTEN & MESS

GIT has Canteen (Meet 'n' Eat & Anna's Den) and Snacks Center (Little Bite) with adequate facilities for the use of Staff & Students. Each hostel has separate mess facility.

9 ENGINEERING EXHIBITION

GIT has an engineering exhibition room. It contains different attractive posters of scientists with their contribution in various fields giving variety of knowledge of important technologies of various engineering branches like Mechanical (CNC, Lathe & IC Engine), Chemical (Distillation process, Crystallization) and Electronics & Telecommunication (Trends in electronic communication).

10. ADMISSION

Candidates are advised to follow the rules for admission to First Year Engineering and for Direct Second Year engineering degree course as published by the Directorate of Technical Education / State Common Entrance Test Cell , Maharashtra State on their website (<http://fe2023.mahacet.org>) from time to time. Refer DTE information brochure 2023-24 for detailed rules of admission.

10.1 Additional seats available under AICTE Tuition Fee Waiver Scheme

Under Economically Weaker Section Scheme 10% seats per course of sanctioned intake shall be available for First Year Engineering admissions.

Salient Features:

जी. आय. टी. समूहगान

आसमान से भी उँची मंझिले हमको पानी है
तंत्रज्ञो से समाजसेवा करनी मनमें ठानी है
संघटन है बल हमारा कर्मयोग आदर्श
अशक्य को मेहनत और लगन से हमने शक्य बनाया है
शोध और तकनीकी अनुपमता से यह हो पाया है
शिक्षा के क्षेत्र में हमने अपना नाम कमाया है
भारत के बुद्धीबल का जग को एहसास कराया है
विश्वने अपने परिवारकी ताकत अब पहचानी है

..... तंत्रज्ञो से

आओ करे हम प्रतिज्ञा जी.आय.टी. की शान बढाएँगे
सहचर्य निष्ठा कर्मठता से अधिक सफलता पाएँगे
भेदभाव को भूल के हम मानव का मूल्य बढाएँगे
कर्मयोगी केकी के स्वप्न को हम साकार बनाएँगे
कीर्ती अपनी परिवार की जग मे सदा फेलानी है

..... तंत्रज्ञो से

निज के स्वार्थ को भूल के हमको आदर्शों से जीना है
स्वयं को पहले परिवार है इसको ध्यान मे रखना है
छोटी छोटी बातों मे बेकार समय नही खोना है
कर्तव्यों के पालन मे जीवन को अर्पित करना है
जगमें हम आदर्श बनें यह सदा दोहरानी है

..... तंत्रज्ञो से
