A report of an expert lecture on “How to face the interviews”.

An expert lecture on “**How to face the Interviews**” was organized by Department of Chemical Engineering, Gharda Institute of Technology, Lavel, in association with Training and Placement Cell

The motive behind organizing this lecture was to develop awareness among students about various preparations needed to crack any campus interview.

In past few years it was observed that many students have excellent technical knowledge but they fail to crack the interview due to lack of communication skills and poor performance in the interviews. This lecture was really beneficial as it covered almost all the points needed for the interview preparations.

The details of expert lecture are as follows;

Name of Program	How to face the Interviews
Objective of Program	To aware the students about preparations and ethics to be followed for any campus interview
Date & Time	16/03/2022 11 am to 01.30 pm
Resource Person	Mr. J.K. Patil <ul style="list-style-type: none"> - Trustee Representative (Gharda Foundation) - 42 years of experience in HR domain - Corporate trainer (delivered hundreds of training sessions for industry professionals) - Worked with many MNCs
No of participants	85 students from TE & BE
Event coordinator	Prof. J.V. Mapara
Key points covered	<ul style="list-style-type: none"> - Ethics for interviews - Company and HR expectations from candidates - How to improve communication skills - 10 most commonly asked questions during interviews and their ideal answers
