Chemical Engineering Department

Date: - 20-10-2022

The department of chemical engineering and mechanical engineering is conducted expert lecture on **"Fire and safety"** The following details for the same.

Date: - 17-09-2022

Time: - 11.00 am to 12.00 pm

Venue: - Third Year Class Room

Resource person: - Mr. Bharat Bhajage

Participation of students: - 50

Name of Student coordinator: - Mr. Prashant Chaudhari

Name of staff coordinator: - Dr. Shivanand M Teli

The resource from Deepak Novachem LTD, Lote MIDC. He has completed diploma in fire engineering safe fire centre (SFTC) Mumbai. He is deputy manager and he is having 10 year of industrial experience, working as industrial safety officer. During expert lecture he has explained following related Fire and safety

- 1) Fire and Types of fires
- 2) How to minimize the fire
- 3) Accidents industrial case study
- 4) Hazards Storage tank handling
- 5) Transportation of hazards chemical explosion

Mr. Bharat Bajage

Guest Lecture on Industrial Safety

**Lecturers Place:- TE Classroom
Time :- 11 Am To 12 pm**

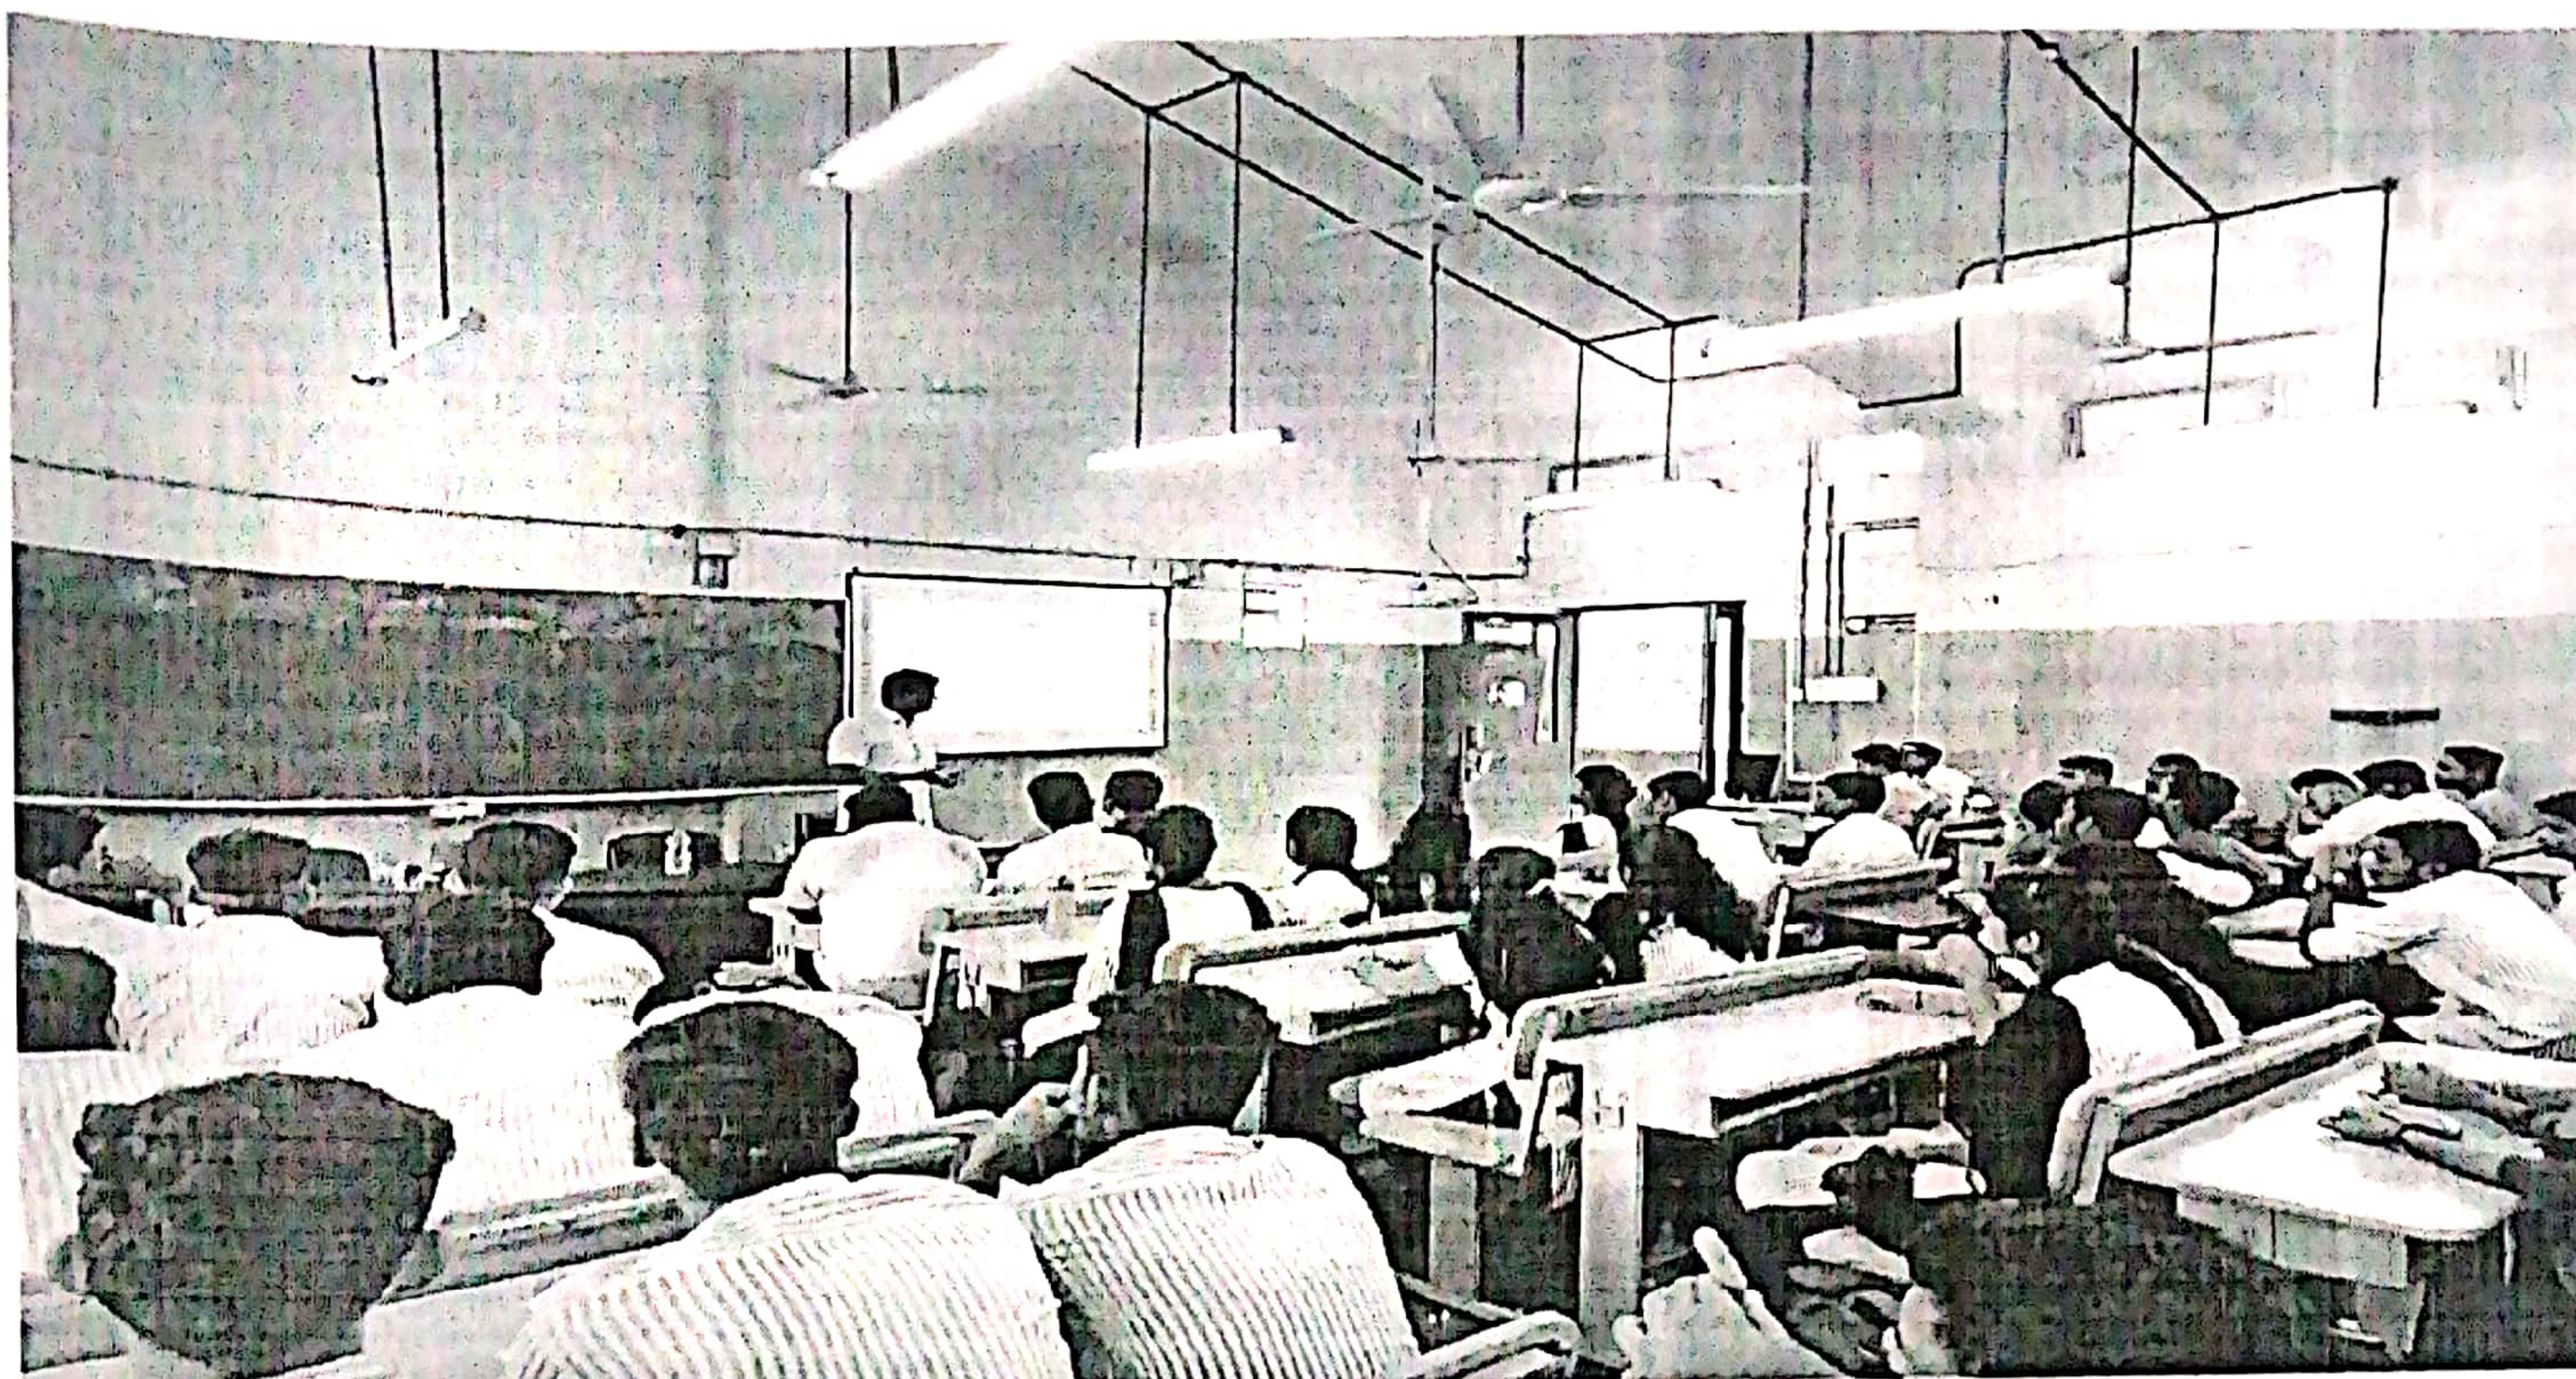

Date :- 17/09/2022

**Qualifications:- Diploma in Fire
Engineering State Fire Training Centre
-(SFTC) Mumbai**

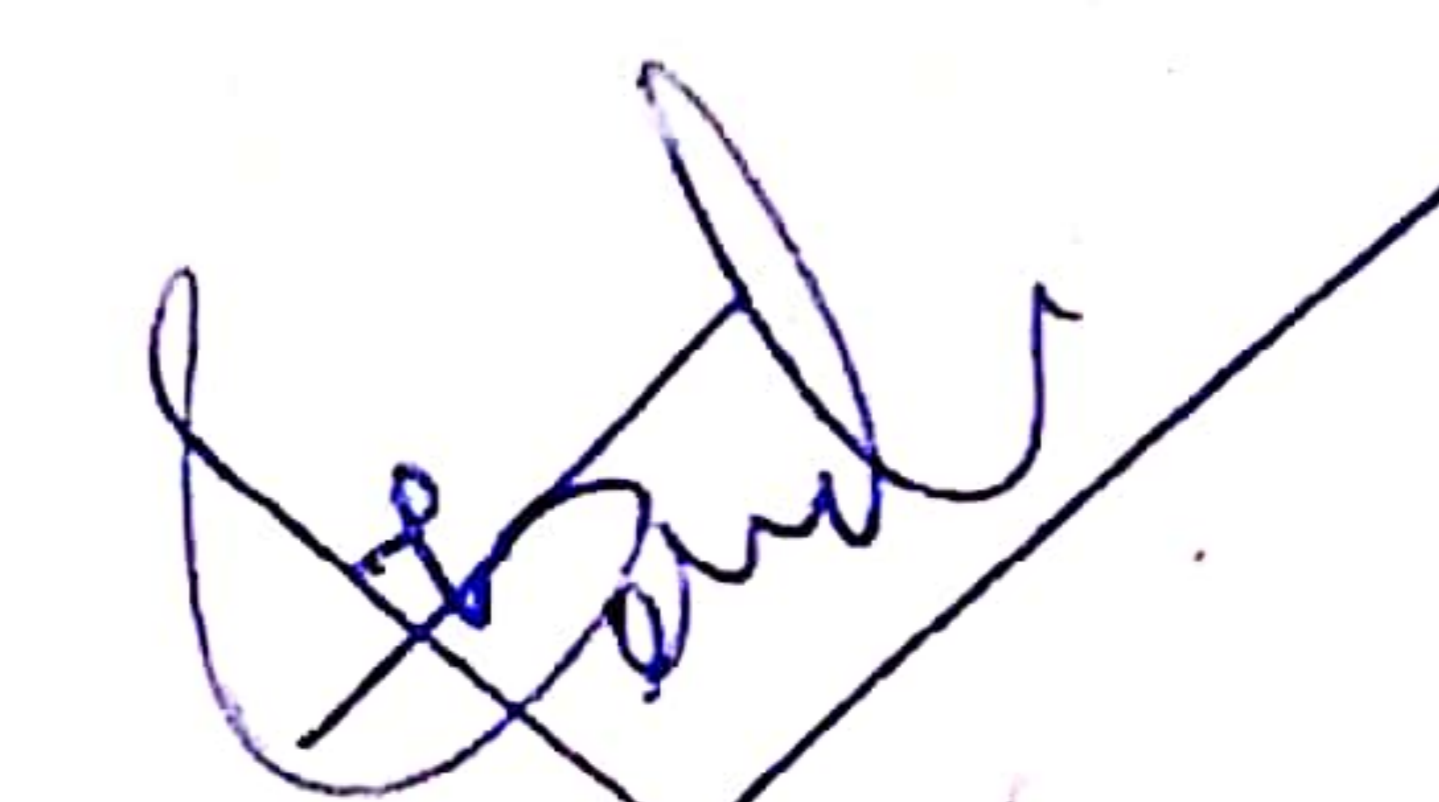

Space Committee (Chemical Department)

Chemical and Mechanical Engineering Departments

Date: - 20-10-2022

The department of chemical engineering and mechanical engineering is conducted expert lecture on "**Safety Aspect in Chemical Industries**" The following details for the same.

Date: - 11-10-2022

Time: - 11.00 am to 1.00 pm

Venue: - Seminar hall

Resource person: - Mr. S. S. Joshi

Participation of students: - 90

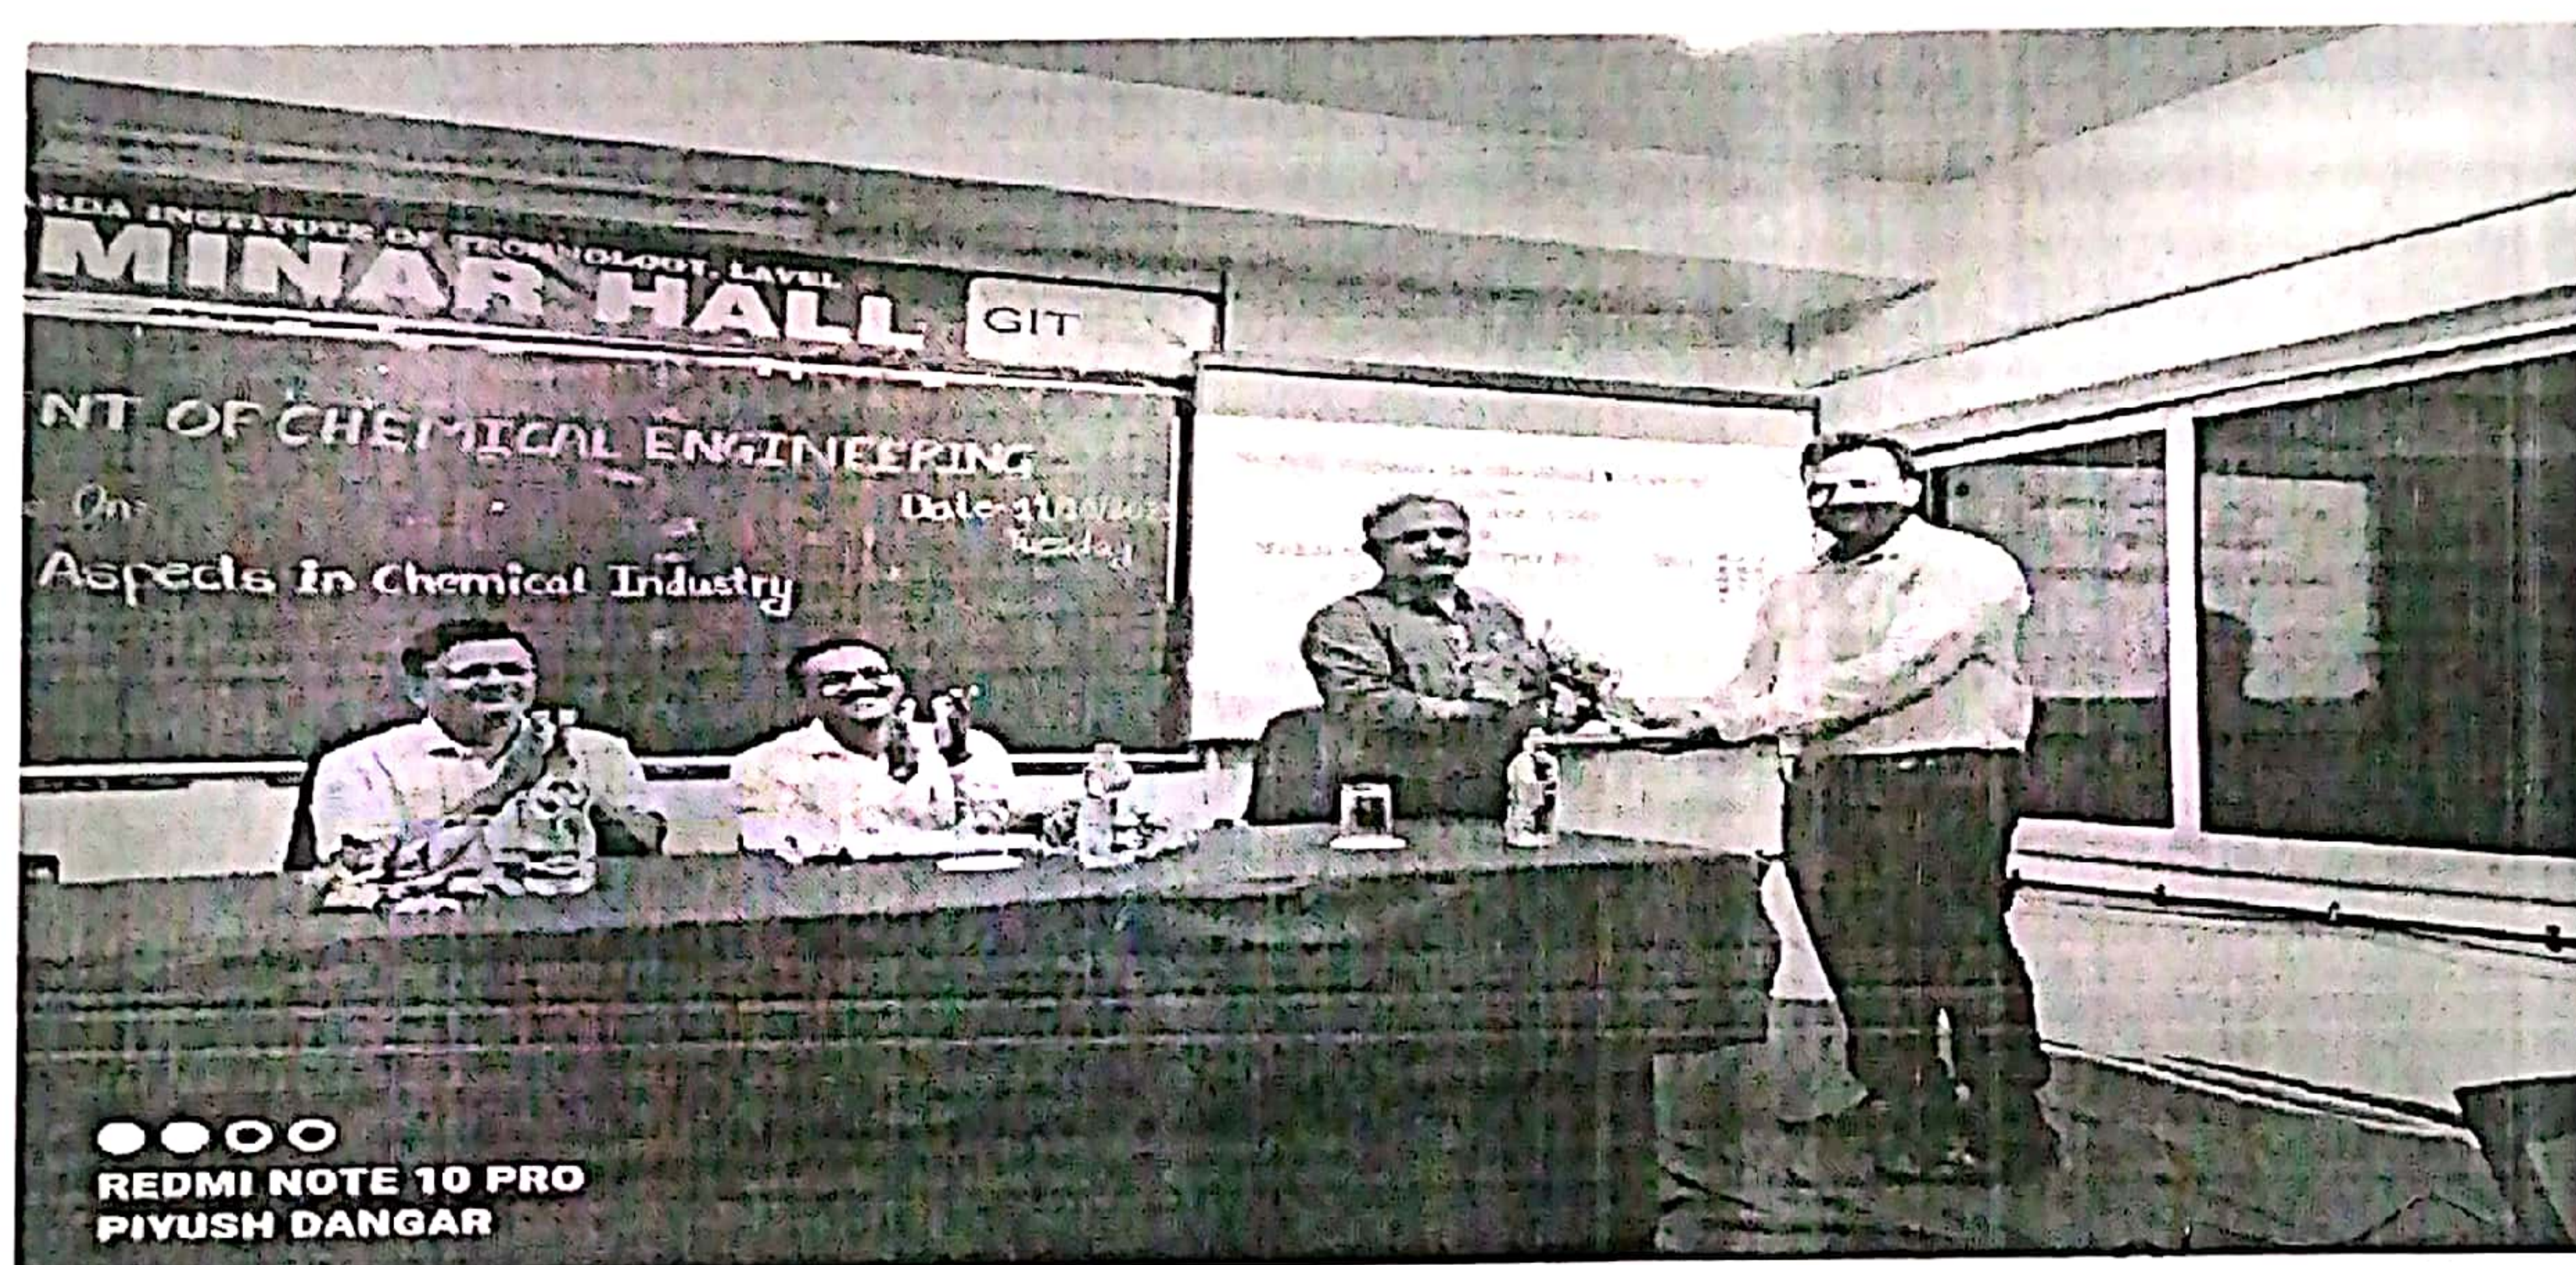

Name of Student coordinator: - Mr. Prashant Chaudhari

Name of staff coordinator: - Dr. Shivanand M Teli

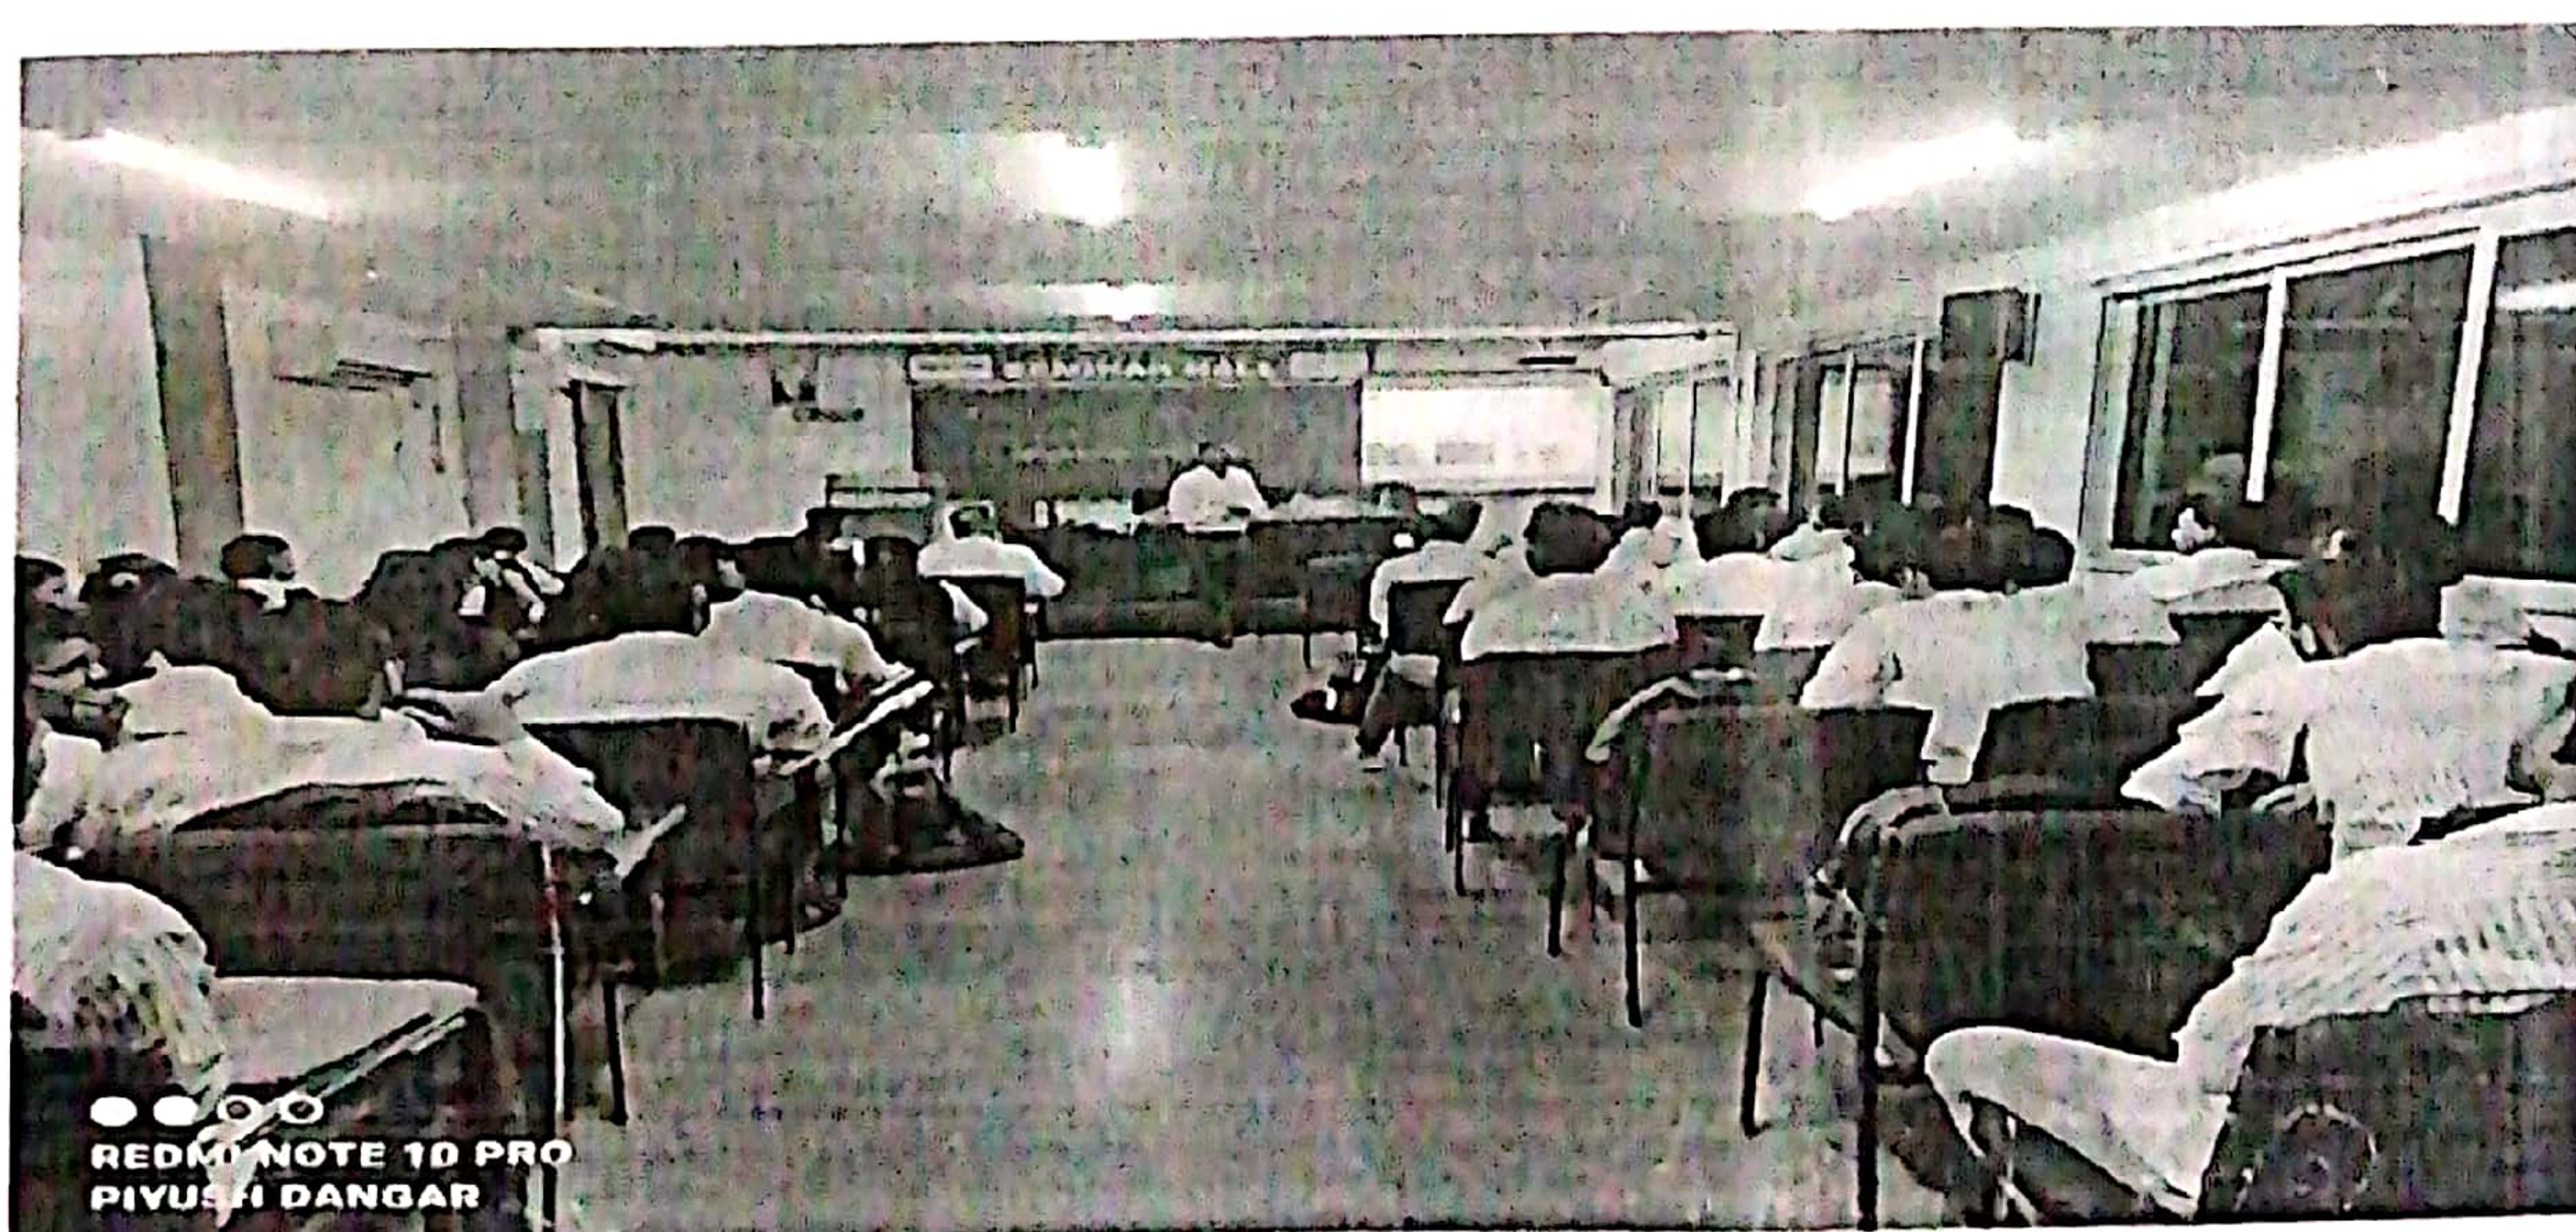

The resource person **Mr. S. S. Joshi** from Joint Director, Industrial Safety and Health, from Kolhapur. He has done B. E. (Mechanical) from PES College of Engineering; Aurangabad in the year 2001. He is worked in gear manufacturing company "Automughals Pvt Ltd" Aurangabad. He also worked in teaching field as Lecturer in "Marathwada Institute of technology" Aurangabad. He got selected as Assistant Director, Industrial Safety and Health Directorate, Labour Department, Govt. of Maharashtra, through MPSC in the year 2007. He did his bachelor of law in the year 2011 and Master of Law in the year 2015. He also did course of Advance Diploma in Industrial Safety in the year 2016. Presently working as Joint Director, Industrial Safety and Health, Kolhapur. During his expert lecture he has explained following points.

- 1) Industrial Safety Laws
- 2) Different Industrial Acts and Laws
- 3) Bhopal Tragedy
- 4) Industrial Accidents Case Study
- 5) Process Safety and industrial safety

Following snap of felicitation guest Mr. S.S. Joshi from Principal Dr. S. K. Patil.

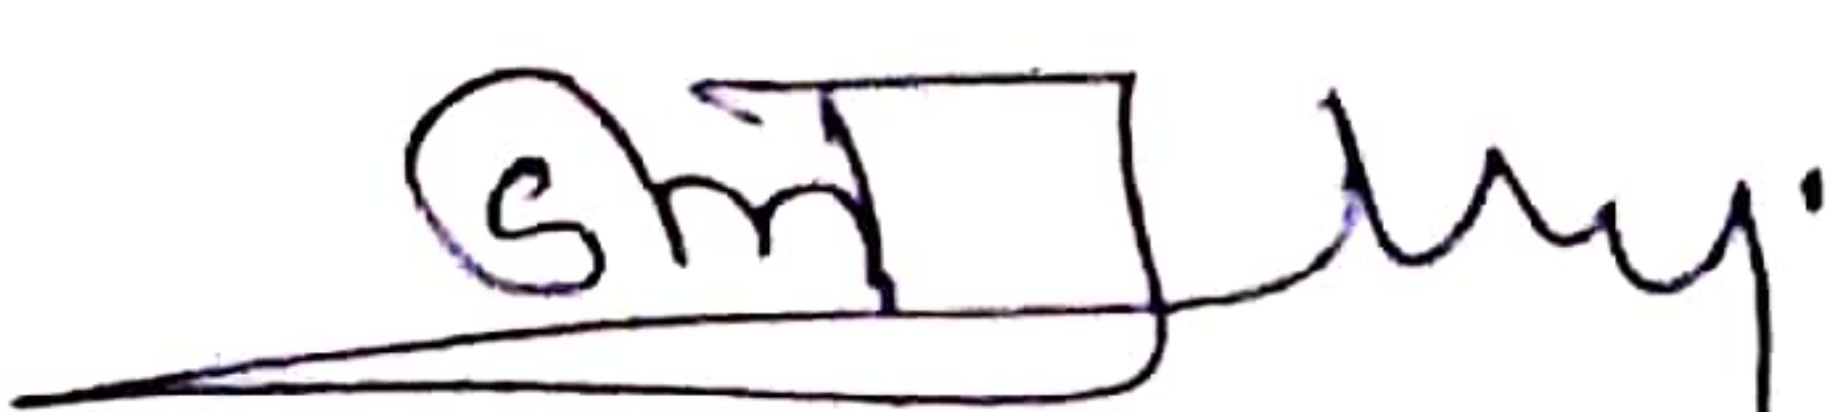

Following are the some snap shots during expert lecture in GIT

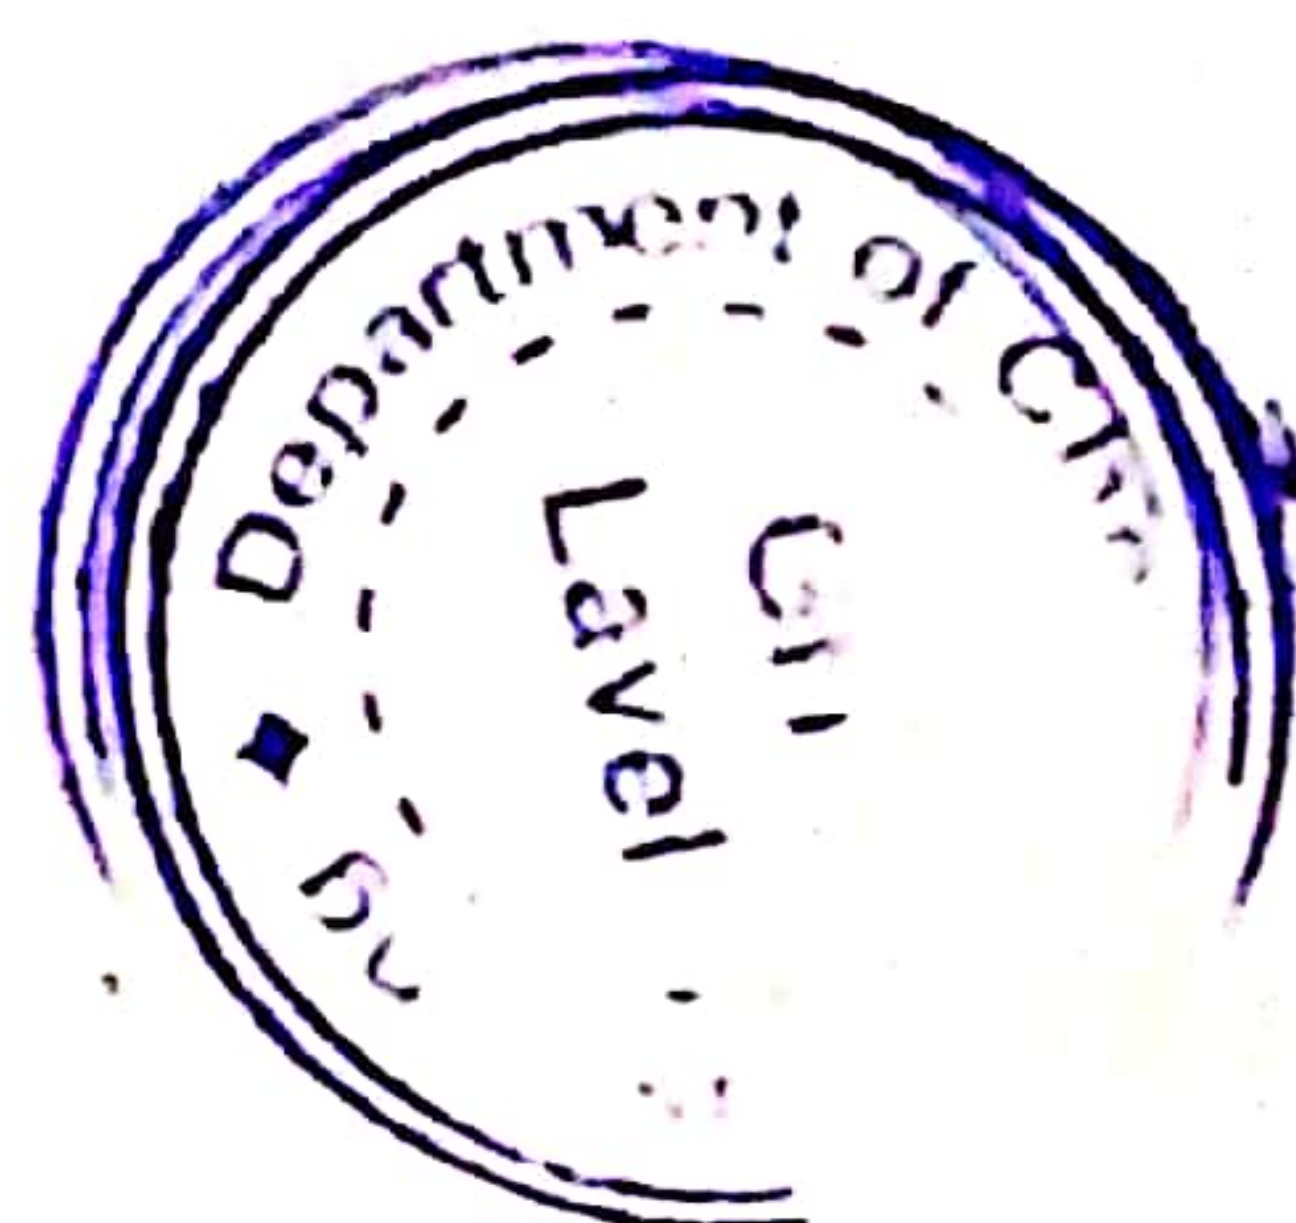

Following snap of after end of the program Head of chemical engineering department Dr. Syam Tekade given load Ganesh to chief guest Mr. S.S. Joshi.

24th September 2022

To,

Mr. S. S. Joshi
Joint Director,
Directorate of Industrial Safety and Health,
Kolhapur

Sub : Invitation to conduct the guest lecture for Students of Chemical and Mechanical Engineering.

Respected Sir

We would like to cordially invite you for the guest lecture on topic "Safety Aspects in Chemical Industry" for the final year students of Chemical and Mechanical Engineering Department.

The guest lecture will help our students to understand and build a strong career in safety field. Preferred schedule of Talk is 30th September 2022 at 11.00 AM.

We kindly request you to please accept our invitation and give the confirmation to make further arrangements.

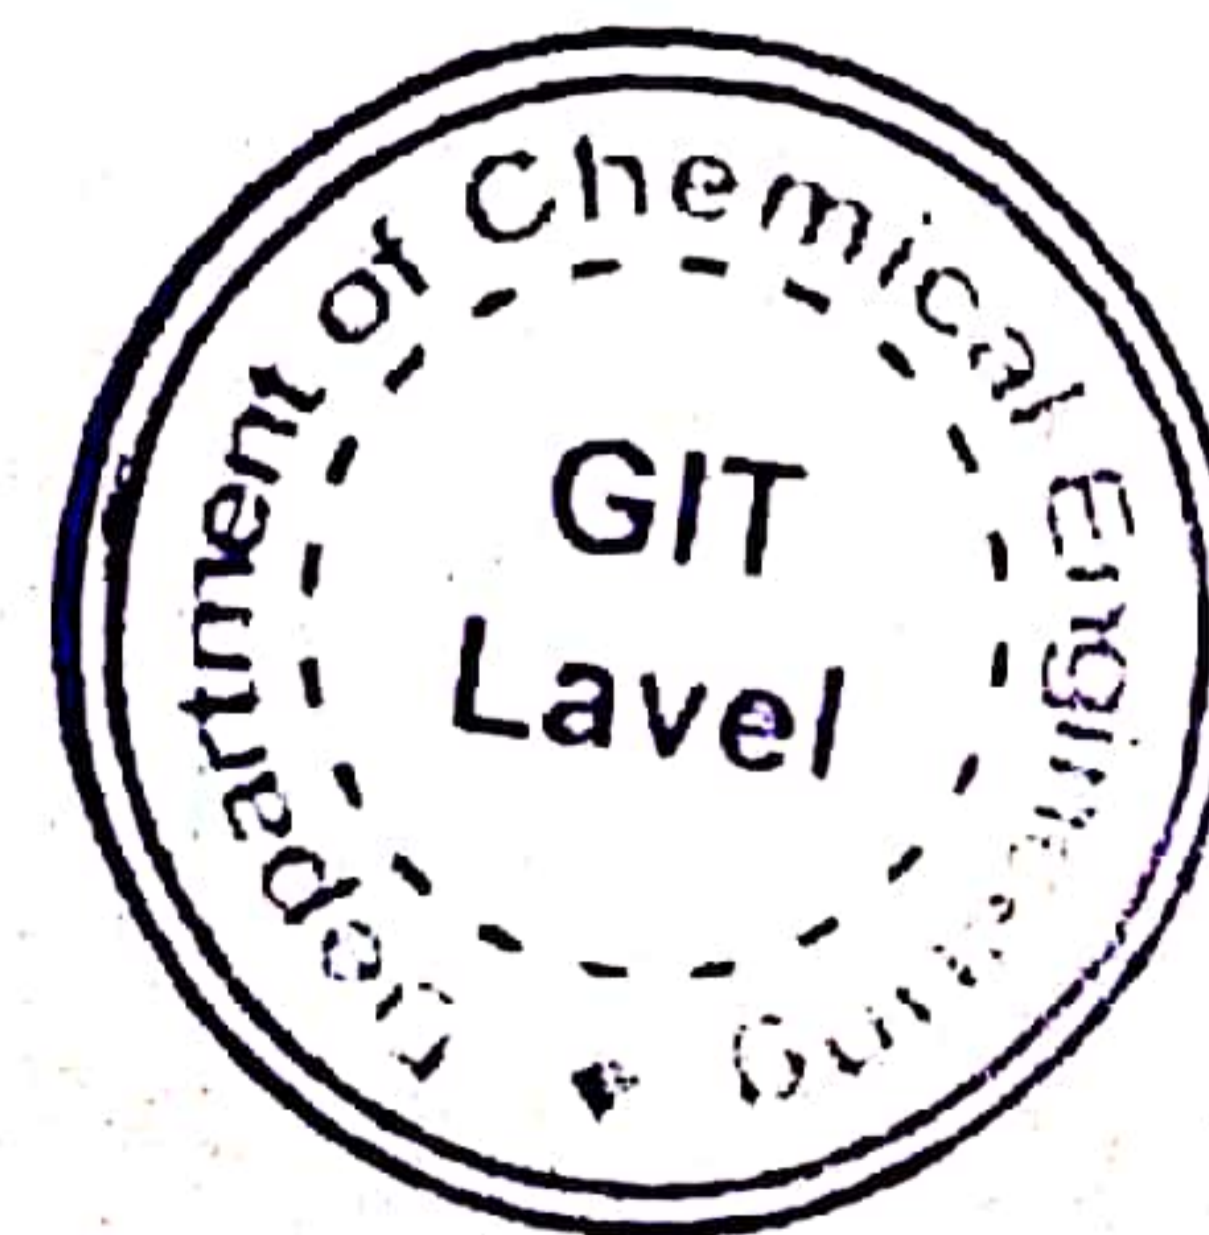

Thanking you.

Regards,

Dr. S. K. Patil

Chemical Engineering Department

Date: - 20-10-2022

The department of chemical engineering conducting expert lecture on “**Electrical Safety in Chemical Industries**” The following details for the same.

Date: - 10-10-2022

Time: - 11.00 am to 1.00 pm

Venue: - Third Year Class Room

Resource person: - Mr. Amit Chavan

Participation of students: - 43

Name of Student coordinator: - Mr. Prashant Chaudhari

Name of staff coordinator: - Dr. Shivanand M Teli

The resource from Mr. Amit Chavan from Dorf Ketel Chemicals India Pvt Ltd, lote MIDC. He is deputy manager and he is having 10 year of industrial experience, working as electric safety officer. During expert lecture he has explained about related industrial electric safety, what are the types of electric safety, static electricity and chemical storage tank filling? Different types of Earthling. The precaution should take after electric shock from any unit operation equipment's from industries.

Following snap shot of felicitation Mr. Amit Chavan from Head of chemical engineering department Dr. Syam Tekade.
