

Manali Mohire

Senior IT Project Manager, Clariant - Swiss multinational specialty chemicals company

"I am proud to be an alumnus of **GIT**, an institution that played a **pivotal role** in shaping my **engineering academic and professional journey**. The **exceptional faculty** and **industry-driven curriculum** provided me with the **knowledge and skills** needed to excel in my field.

The **culture of collaboration, mentorship, and continuous learning** at GIT has been **instrumental in shaping my career path**, equipping me with both **technical expertise and real-world problem-solving abilities**.

I am truly grateful for the **guidance, friendships, and experiences** I gained during my time at GIT. It is an institution that **nurtures talent and prepares students for real-world challenges**, making it an **ideal choice for aspiring professionals**."
