Date: 31/07/2024

Time: 11.00 am to 12.00 pm.

Venue: Seminar Hall, GIT, Level

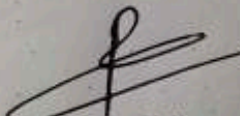

Organized By: ASCEE Committee, Computer Engineering Department.

Overview:

The ASCEE Committee of the Computer Engineering Department organized an interactive session with alumni **Mr. Roshan Jadhav and Mr. Sahil Kokate**, the session was highly beneficial for the students, offering them a glimpse into the entrepreneurial world and the workings of a tech startup. It inspired many to consider innovative approaches in their projects and careers. The feedback from participants was overwhelmingly positive, with many expressing a desire for more such interactions in the future.

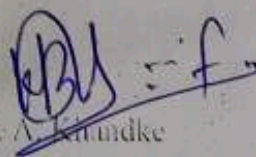

The event witnessed a significant turnout of alumni from diverse industry backgrounds. The alumni actively engaged with the students, sharing their experiences and offering valuable advice on how to prepare for various stages of the placement process. Their involvement and interaction with the students created a conducive environment for mentorship and knowledge sharing.

The event successfully equipped students with the necessary tools and knowledge to navigate the complexities of the placement process and emerge as competitive candidates in the industry. For this event there are 70 plus student was present to attend the session. ASCEE Committee extends its gratitude to Mr. Roshan Jadhav and Mr. Sahil Kokate for sharing his valuable time and insights, and looks forward to organizing similar events to continue fostering industry-academia relationships.
