ACTIVITY REPORT

Name Of Activity: Guidance Session by Alumni.

Date: 03/08/2024

Time: 10.00 am to 11.00 am.

Venue: Computer Engineering Department, GIT, Level

Organized By: ASCEE Committee, Computer Engineering Department.

Overview:

The ASCEE Committee of the Computer Engineering Department organized an interactive session with alumni **Miss Amisha Modak and Miss Prachi Chavan**, the session was highly beneficial for the students, offering them a glimpse into the entrepreneurial world and the workings of a tech startup. Both alumni have successfully secured positions at Redhat Company and generously decided to share their experiences and insights with the current students.

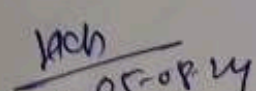

The session was primarily focused on providing guidance and advice to students regarding placements and interviews. Miss Amisha Modak and Prachi Chavan shared their personal experiences, discussed the recruitment processes at Redhat Company, and provided valuable tips for excelling in interviews. Their involvement and interaction with the students created a conducive environment for mentorship and knowledge sharing.

The students found the session to be extremely informative and engaging. It was a great opportunity for them to learn from the real-life experiences of the alumni who had walked the same halls not too long ago. The guidance provided by the alumni has significantly contributed to the students' understanding of the industry and has motivated them to strive for success in their future endeavors. For this event there are 80 students was present to attend the session. The ASCEE extends its heartfelt thanks to Miss Amisha Modak and Prachi Chavan for their valuable time and efforts in conducting the guidance session. Their willingness to give back to their alma mater and help the current students is genuinely appreciated.
