

Miss. Sanika Shinde

Hello Learners!

Welcome to the Department of Master of Management Studies (MMS) at Gharda Institute of Technology & Management. I am Prof. Sanika Jayant Shinde, your mentor for Finance and Management. With qualifications in B.Com., B.Ed., M.Com., and MBA and 4+ years of teaching experience, I am committed to delivering quality, practical, and industry-oriented management education. My focus is on Finance, research and innovation, communication skills, interview preparation, personality development, leadership, financial literacy, and career readiness, while integrating Artificial Intelligence (AI) and modern digital tools into learning. At GITM, we are committed to empowering students through quality education while contributing to the sustainable development of the South Konkan region. By nurturing skilled, ethical, and socially responsible professionals, we aim to support rural development, local entrepreneurship, and community progress.
