

Mr. Sachin Wankhede

Welcome to Gharda Institute of Technology & Management. I am Prof. Sachin Sonlal Wankhede, your mentor for the Operations Management in Master of Management Studies (MMS) program. With qualifications in MBA (Operations) and B.E Mechanical, along with experience in Training & Placement, entrepreneurship, digital content creation, graphic designing, and social media, and industry, I am committed to bridging the gap between academics and the corporate world. At GITM, we focus on industry-oriented learning, internships, placement training, corporate readiness, and skill development, ensuring students are well-prepared for successful careers. I look forward to helping you enhance your professional skills, improve your employability, and achieve your career aspirations through practical learning and industry exposure.
