Report on Parents' Meet

Date: 22/03/2024

The Parent-Teacher meeting was conducted on 16/03/2024 by the Computer Engineering Department from 10:30 AM in the B.E Computer Class room. Prof. Sameer Tathare represented as an anchor for the event in switching the agenda with respective deliverables. Meeting was mainly aimed to update the parents on the Academic, Placement drives performance of students and co-curricular activities of the department and the institute.

In introductory speech by Dr. A. K. Mangore, HOD Computer Engineering, focused on the importance of meeting followed by discussion on academic curriculum along with the emphasis on Student's Attendance & Parents' Co-operation for the same. He also explained the performance of students during the Internal assessment exam conducted in February 2024. He also portrayed the significance in organizing technical training activities by department staff in uplifting the programming skills among the students. He also conveyed the importance of parents in indulging their child to explore the technical aspects of his/her interest which in turn resulted in a bright career and success.

Institute Training & Placement coordinator Prof. Sangram Methe has listed the opportunities in the future for the students of the Computer engineering department. Also he has briefed about upcoming placement drives & training programs. Role of parents during this process is also explained by the TPO. He also gave information about placement activities conducted till date.

Prof. R. B. Pawar summarized the institute level activities related to MOOC courses such as NPTEL and suggested different ways to improve performance of students through these courses and get ready for placement in various companies. He also gave a brief introduction about Virtual Lab conducted in GIT. VLAB is a government initiative and our college is the Nodal center of the same. He also informed parents regarding Industrial visits to ISRO, Bangalore.

Felicitation ceremony was arranged in continuation with dignitaries' speech, to congratulate the meritorious students of S.E., T.E and B.E students of Computer Engineering for their

success and also instructed to break the threshold ranks of the University. The students and their parents are felicitated by HOD and Class teachers in the presence of all the staff members of the Computer Department.

Later, the session continued with Class teachers (Prof. S. D. Latkar, Prof. K. M. Gajmal, and Prof. J. V. Khalkar) who took efforts in gathering information where teachers & parents can exchange information about a student's academic progress like his attendance, performance, challenges and also about the child's social development like his behavior and discipline, punctuality etc.

In continuation to the session, parents were invited to express their views about the college, their views regarding the development of their wards and to come up with suggestions or any actions to be taken by the institute.

The feedback forms were distributed and collected. Technical assistance in recording the event, shooting photographs and all background activities were managed by Mr. P.R. Pendharkar & Mr. M. M. Gajmal. The Parent Teacher gathering was followed by tea and snacks. After the refreshment, the parents went to meet the individual teachers, discussed the academic performance of the students like class attendance, performance in class tests and overall discipline in the campus.

Around 34 parents' (including father & mother) reported for the meeting, which briefed 22 individual student-parent presences in the meeting. Meeting was concluded by vote of thanks by Prof. M.A. Khandke.

Suggestions and general comments given by the parents through feedback -

- Overall infrastructure and facilities provided to the students are satisfactory.
- All the lectures , practicals and conducted as per time schedule.
- Quality of academic resources I.e course material is also very good.
- Mobile phones should be kept OFF during the lecture.
- More training programs should be arranged as per upcoming AIML demand.
- At a time all the subjects writing work should be avoided and may be pre- decided by all the faculties.

The meeting is ended with vote of thanks by Prof. P. V. Oak sir.

Suggestions and general comments given by the parents through feedback :-

- * Overall infrastructure and facilities provided to the students are satisfactory.
- * All the lectures , practicals and conducted as per time schedule.
- * Quality of academic resources I.e course material is also very good.
- * Mobile phones should be kept OFF during the lecture.
- * More training programs should be arranged as per upcoming AIML demand.
- * At a time all the subjects writing work should be avoided and may be pre-decided by all the faculties.

The meeting is ended with vote of thanks by Prof. P. V. Oak sir.

I feel the staff is good & taking extra towards performance of the students but students are ~~not~~ behaving irresponsibly by skipping lectures. To improve this we should be informed about their attendance regularly on whatsapp, so that we can ask them to attend classes regularly
