					25	22	40	2	19	36	38	890	693	198

After the decline of covid pandemic, this was the first student's event at GITCollege. The event was open for Engineering, Diploma and all undergraduate level students. Due to the covid restrictions and by understanding the latest trend of digital era, the event was arranged in hybrid mode (Both online and Offline) for the very first time. This Technical festival was sponsored by GCL, Central Bank of India, Khed and Bank of India, Khed. Participants from 30 institutes were participated in this festival in various events.

The flyer and brochure was out on 16th March,2022 and the registrations were started just scanning the QR code. The registrations forms were sent to more than 1000 different colleges using e-media. After the registrations were over, submissions were invited from the participants in the form of images/PDFs/Videos. All the registered participants were kept informed time to time about the updates of the events. Submissions were done till 24th March, 2022. All the management work was conducted by all departmental coordinator's team under the guidance of staff coordinators.

The whole event was divided into two days. The first day consisted of all the common events whereas the second day consisted of all the departmental events. It was a task to coordinate between the online and offline participations into various events. Every event was judged by a team of judges who were the subject experts and assured unbiased evaluation. All the events were conducted smoothly at their respective planned venues. External Judges invited from various Industries Online/Offline to evaluate the performances of students in each event based on certain criteria and prepared result sheets.

Result was prepared by the panel of Internal and External Examiners and finalized the winner event wise. A valedictory function was organized on 27th March, 2022 3.00 pm onwards where the winners of every event were awarded with bouquet and displaying Cash prize and Certificate on the Digital Screen. Afterwards all the winners cash amount transferred by NEFT through account section. There were prizes of worth more than 1.5 Lakh. Every winner had received

the certificate and the cash prize. Dr. Sandip H.Gharat (Principal), Mr. J. K. Patil (Trustee Representative), Mr.M.S.Gadre(Registrar), Prof. RajkumarB.Pawar (Convener)were present for the valedictory function. The certificates were in the form of E-certificates.

With all this, the event was concluded and was successful with the efforts of everyone involved in it.

Subject: Invitation to work as a Judge for Paper Presentation in SHODH-2022.

Dear Sir,

We would like to invite you to work as a **Judge for Paper Presentation** event in **SHODH-2022 on 26th March & 27th March, 2022** to be held in the Computer Engineering department.

Your expertise, comments and remarks will be beneficial to the participants in their further improvement. Students will be motivated and encouraged through the interaction with you.

Please accept the invitation and reply to the same.

Thanking You.

Subject: To transfer the Prize Amount into winner's account of SHODH Events through NEFT

Respected Sir,

Following are the prize amount of various events per departments organized in SHODH-2022.

Sr. No.	Department / Event	Prize Amount
1	Mechanical Engineering	12000/-
2	Computer Engineering – UG	10500/-
3	Computer Engineering – Diploma	11000/-
4	Chemical Engineering - UG	13500/-
5	Chemical Engineering - Diploma	4500/-
6	Civil Engineering	13500/-
7	EXTC	15000/-
8	ASH	12000/-
9	Photography	1000/-
	Total	93000/-

Please transfer the amount to the respective winner's account all details are attached with this sheet.

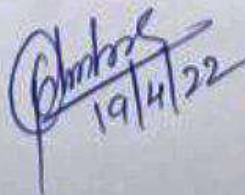

Thank you.

Mr. R.B. Pawar

PROJECT PRESENTATION

Creative Minds on Work

No. of members per group : Minimum 2 / Maximum 4

Topic-

Any topic which is relevant to your field of interest. [technical or non-technical]

Guidelines:

- The presentation can be delivered in Powerpoint Presentation Format along with a working demo of the project if applicable.
- The Presentation should be a maximum of 10 minutes.
- Each member of your group should play a role in the presentation.
- You have to upload your Final submission on youtube
- We will be connecting to you over the Email ID provided during the registration.
- Make Sure You check your Email from time to time.
- The Presentation should start first by Explaining your topic then a demo or explanations(methodology) then outcomes.
- The Presentation should be a high-Quality Recording with clear visibility.

Event Instructions:

- The presentation event will be happening on 19th March over a virtual meeting platform.
- You will be shared with the link to the meeting via email with which you can join the session.
- Your presentations will be played at the meet where there will be viewers
- Results will be shared with you shortly after the event.

Submission Format :

- You have to share the link to Presentation (Performance uploaded on youtube) by reverting to the mail shared by us with you.
- Your Presentation will be verified and checked then will be further sent to Project Presentation Event Judges

Judgment Criteria:

- Topic selection
- Presentation impact
- Originality

Event Co-ordinators:

Keshav Prabhu - 8308103088 [ASH]

Shantanu Chavan - 9527566376 [Chemical]

Sankalp Raju Kamble - 9545759584 [Civil]

Avdhut Pravin Patil - 7020464002 [Computer]

Samarth Mandavkar - 7038343685 [EXTC]

Parkar Sabeel Riyaz - 8830519680 [Mechanical]

POSTER PRESENTATION

Where Good Ideas Are Brewing

No. of members per group : Individual / Max 2 members

Format of the poster:

- The poster must be made on the A3 size (11.7 * 16.5 inches) sheet with margins (0.5 inches)
- Poster can be made using pencil, crayon, watercolour, oil paint, etc. Photographs, wires, other 3D objects, print-outs won't be acceptable.
- Poster should be original and handmade.
- The Topic of the poster and theme should be mentioned at the Top Margin of the Poster.
- Poster should not contain any personal details like Name, Class, College etc. of the participants. These details should be mentioned in the registration form only.
- Language to be used in the poster: English
- There is the freedom to select the topic for the poster but it should be relevant to the selected stream.

Poster Submission Format :

- Posters should be submitted in JPEG format through the link shared in the mail.
- Max file size should be 5 MB
- Only one poster per group is allowed.

Guidelines for live event:

- The camera should be kept on during the entire presentation.
- Photographs of the hand-made poster should be shared on the screen.
- The maximum time for presentation: 10 Minutes
- Participants need to keep their ID cards with them and should be shown if asked.
- Participants need to keep the original poster with them and should be shown in front of the camera if asked.
- If participant/s has/have network issues during the event then they should inform same before the event of the names and contacts mentioned in the mail.
- Language of presentation: English

Judgment Criteria:

- Delivery of presentation and relevance to the topic
- The neatness of the poster
- Response during Q&A session.
- The originality of the poster

Event Co-ordinators:

Sneha Khambe - 9022734681 [ASH]

Kamlesh Digaskar - 9405610387 [Chemical]

Mohammed Tashif Abdul Majeed Panjri - 9359717474 [Civil]

Kundan Vijay Jadhav - 9146419745 [Computer]

Irfah Juikar - 7776005597 [EXTC]

Chavan Kunal Sanjay - 8552928659 [Mechanical]

PAPER PRESENTATION

Artistic pieces of paper

No. of members per group : Individual / Max 3 members

Topic-

Any topic which is relevant to your field of interest. [technical or non-technical]

Format of the poster:

The paper must be made using IEEE format.

<https://www.ieee.org/content/dam/ieee-org/ieee/web/org/conferences/Conference-template-A4.doc>

The format can be downloaded from the above link and the same could be edited.

Guidelines:

- The paper title should be centred at the top of the first page, in 24-point type.
- The byline should be centred below the title, after a line break, in 10-point type. It should contain the following, on separate lines:
 - Author's name (or authors' names)
 - Author affiliation(s)
 - City & country location(s)
 - E-mail address(es).
- The body of the paper should be in 10-point type, and formatted to appear in two columns. The columns on the last page should be the same length; this may require adding a column break after you have finished the body of your paper.
- The paper must begin with abstract and index terms.
- Papers may, depending on context and field, include some or all of the following:
 - Note to Practitioners
 - Nomenclature
 - Appendices
 - Acknowledgments
- Papers may be divided into sections and subsections
- Figures, tables, and equations should each be numbered consecutively, but separately. They should also be centered in the column in which they appear.

Submission Format :

- Submission to be made in PDF format only.
- Google form for the submission will be sent on the registered mail. The presentation event will be held Online.
- Any changes in the schedule or mode of the event will be informed at least a week before the event

Note:

- All the submitted papers will be checked for plagiarism and the authenticity of the content. So do not copy a paper/part of the paper else will lead to disqualification.
- Relevant references must be mentioned in the paper.

Guidelines for live event:

- The camera should be kept on during the entire presentation.
- Photographs of the hand-made poster should be shared on the screen.
- The maximum time for presentation: 10 Mins
- Participants need to keep their ID cards with them and should be shown if asked.
- If participant/s has/have network issues during the event then they should inform same before the event of the names and contacts mentioned in the mail.
- Language of presentation: English

Judgment Criteria:

- Delivery of presentation and relevance to the topic
- Purpose of the presented paper.
- correctness of the content.
- Response during Q&A session.

Event Co-ordinators:

Talha Surve - 9326830719 [ASH]

Ashutosh Parte - 9049177387 [Chemical]

Trupti Shankar Uttekar - 9511605207 [Civil]

Aditi anant vichare - 9370485771 [Computer]

Riya Wadke - 7083691576 [EXTC]

Parkar Sabeel Riyaz - 8830519680 [Mechanical]

TECHNICAL QUIZ

Fastest Finger First

Platform: quizizz.com

Type: Individual Participation

Number of Rounds: 2

Eligibility: 11th,12th, Diploma and Degree Students can enroll

Quiz is based on the **Branch** you choose and **Aptitude**.

Rounds:

- **Elimination Round:** In this round, you will be given 15 minutes to answer 30 questions (30 seconds for each question) to complete this round and the top 20% participant will be qualified for the next round.
- **Final Round:** You will be given 15 minutes for 30 questions to complete this round. The top three finalists will be declared as winners.

Rules and Regulations:

- Any dishonest practice will lead to direct disqualification.
- In each round Participants will need to share their computer screens with the event coordinators for checking for any malpractice.
- Participants should make sure that they have a good Internet connection and by any chance, you get disconnected then immediately contact the event coordinator.
- Your camera should be **ON** throughout the entire session.

Judgment Criteria:

Points are given according to the accuracy and time taken to answer the question.

Event Co-ordinators:

Tejashree Dipak Baing - 7448007787 [Civil]

Ketan Khetale - 9004006811 [ASH]

Prathamesh Chavan - 7083713393 [Chemical]

Chavan Prachi Pratap - 8308139313 [Computer]

Parag Gurav- 9604903667 [EXTC]

Omkar Anil Gundekar - 7666739874 [Mechanical]

CODE-2-WIN

Problem Solving at its Best

Platform: hackerrank.com

Type: Individual Participation

Number of Rounds: 2

Rounds:

- **Elimination Round:** In this round, you will be given 3 problem statements to complete the round. The participants must code the program in any of the available programming language and satisfy all the test cases. Participants completing all the three tasks in stipulated time will qualify for next round.
- **Final Round:** You will be given 5 problem statements to complete this round.

The first three participants to complete all the tasks satisfying all the test cases will be declared as winner.

NOTE:-

- Any dishonest practice will lead to direct disqualification.
- In each round Participants will need to share their computer screen with the event co-ordinators for checking for any malpractice.
- Participant should make sure that they have good Internet connection and by any chance you get disconnected then immediately contact the event co-ordinator.
- The decision of the judges will be final.

Event Co-ordinators :

Somya Kumari - 9867390473

Jadhav Saurabh Rajendra - 8177961969

GUESS THE ELEMENTS

Fastest Finger First

Platform- quizizz.com

Number of participants-1

ROUND-1(Guess the element from emoji)

- i. Number of questions-30
 - ii. Time for each question-10sec
 - iii. Qualification criteria-1/2
- Note- Bonus points if solved early.**

ROUND-2 (Balance the stoichiometry)

- i. Number of questions-10
 - ii. Time for each question- 1 min
 - iii. Qualification criteria-1/3
 - iv. Negative marking if attempted wrong
- Note- Bonus points if solved early.**

ROUND-3 (Guess the structure)

- i. Number of questions-10
 - ii. Time for each question- 15 sec
 - iii. Qualification- Best three
 - iv. Negative marking for attempted wrong
- Note- Bonus points if solved early.**

Event Co-ordinators:

Pratik Sutar -8983076709

Ashutosh Parte -9049177387

Harish wagh - 9767806588

STRESS BLOCK

Search Word Puzzle

Platform – Google Meet, Google form

Type – Individual Participation

Rounds – 3 (Depends on the number of participants)

Eligibility – Diploma students, Degree students

#Note: Puzzle will be related to Civil engineering and General Knowledge

Puzzle Guidelines –

- You will be provided with a letter's grid and a set of 10 Questions.
- You have to find answers which will be of One Word.
- And then you have to locate that Word (ONE WORD ANSWER) in the given letter grid.
- Word may run in one of eight possible directions. Vertically, horizontally or diagonally.

Event Instructions –

- The event will be carried out Live on Google meet.
- All the registered Participants will receive Google meet link on registered mail.
- A demo of “How to mark words? And how to submit a response?” will be shown in Google meet before starting the competition.
- Google form link will be shared in the Chat-box.
- The puzzle will be shared with you through Google form. You have to take a screen shot of the puzzle and mark the words. (You can use any editing App or any method to mark words by editing the photo/screen shot)
- Participants will be given 10 minutes to solve & submit the solution through the same Google form. You have to submit the puzzle as much as it will be completed in 10 minutes only. (There will be an attachment option in the form)
- After 10 minutes Google form will be closed.
- The first 20 responses will get shortlisted for the next round. (Number of shortlisting participants may change, Depending on the number of participants)
- Results will be shared shortly in the Same meeting.
- The difficulty level will increase in each next level.

#We will not be responsible if there is a network issue at your end. So be in a good network.

Winning criteria –

- Time of submitting Google form
- Number of correct words
- Accuracy

Example of stress block :

TALKING TITANS

Don't Hate, Debate.

Platform – Google Meet

Type – maximum two participation.

Rounds – 1

Eligibility – Diploma and Degree Civil Engineering students.

Note: Debate topics will be related to Civil engineering.

Instructions:

- Debate will be conducted on an Online platform on Google Meet.
- All teams will get the list of debate topics one day before the competition by mail.
- For each team one topic of the debate will be decided on the spot on the day competition by picking up a random chit of topic from the list of given topics.
- Each team will discuss the given topic in the way that (one will defend "pros" & other will defend "cons" of the topic.)
- Host will declare who will go for “pros” & “Cons” of the given topic.

Rules:

1. All team members should join the meeting link 5 minutes before. Delay in joining can turn into disqualification of the team. (Google meet link will be shared with you on your registered email id)
2. Before starting the debate both teams will get 5 minutes to discuss & can make notes for their topic.
3. The “pros” team will start a discussion with their speaker. The speaker’s speech should be about 5 minutes long.
4. The “Cons” team will ask questions and the “ pros” team answers them. All members of both teams should involve in asking and answering questions. Asking and answering questions should take 3 minutes.
5. The speaker of the “Cons” team will present his/her ideas and opinions. Their speech should be about 5 minutes long.
6. The “pros” team will ask questions and the “Cons” team answers them. All members should involve in asking and answering questions. Asking and answering questions should take 3 minutes.
7. The debate ends after 15 minutes.
8. Result will be declared shortly on the registered email.

Point System:

Each team will get points for:

- Relevance - speaking to the topic, using strong and persuasive arguments.
- Promptness - quick responses to all questions.
- Fluency - speaking readily without pauses.
- Engaging all members in the debate.
- Correct grammatical structures.
- Vocabulary - its richness and width.
- Pronunciation.

Disqualification is for:

- using the Czech language during the debate,
- not speaking to the topic,
- interrupting the debate by not asking questions or not answering them,
- breaking the ethical code of the debate (using offensive language and colloquial slang).

LET'S THINK AND TINKER

From Mind to Design in Minutes

Platform: Google Meet, quizizz or menti, Tinkercad.

Type: Individual Participation

Total Rounds: 3

Eligibility: Diploma, Degree students.

Things required:- Two devices (Laptop and a smart-phone), A4 sheets, pens and Id cards (Government or college id).

Quiz Guidelines:

- Participants must have 2 devices connected to the Internet without fail.
- You will be provided with the MCQ questions on the above-mentioned platform for round 1.
- You have to select the correct answer option within the given time limit.

Tinkering Guidelines:

- For round 2 and round 3, you must be ready with A4 plain sheets and pens etc along with a Laptop or PC with good Internet connectivity.
- Participants must login into Google meet through their registered mail id using a Laptop or PC only.
- Participants should have a basic idea of using the Tinkercad Web App.

Event Instructions:

- The event will be held on Google Meet.
- All the registered participants will receive Google meet link on their registered email id.
- Demo of 'How to select options' & 'How to submit response' will be shown.
- Quiz questions will be shared on Google meet, participants will be provided with the platform code which will help them to access the quiz platform and select the correct answers (Everything will be explained with a demo video).
- Participants will have a specific time limit for each question.
- Participants are required to draw the design of the circuit and write the required program on the A4 sheet first and submit the same, and after evaluation, the selected students will be allowed to simulate the circuit.
- Participants should try to simulate their circuit correctly and fast as possible within the given period for achieving a higher rank.
- Separate mail about detailed instructions of the rounds along with a meeting link will be sent on the registered mail id.
- Results will be mailed to participants on registered email id.
- The difficulty level will increase in each next level.

#We will not be responsible for any Internet connection loss. Participants are requested to have a proper network connection.

Winning Criteria:

- Participants answering correctly & faster in quizzes will earn more points and will get a chance to appear for advanced rounds.
- In advance rounds, participants should try to complete the circuit design and required program as fast as possible within the given time and increase their chances of winning the competition.
