ASCEE (student Association)

NEWSLETTER

2015-16

The faculty coordinators for this year are Mr. **Prof. Iltapawar Tirupati L.** and Mrs. **Kranti M. Gajmal**

The Important Activity of this year is to reconstitute the ASCEE Committee. We have selected the team for this academic year as given on 22nd August 2015. First Event conducted in the month of August 2015 was student election, it was held to select the departmental representative among students. Computer engineering department have a student teacher association called ASCEE and all programs of students are carried out and monitored by the ASCEE coordinators. In this month of august mass election was carried out to select ASCEE coordinators and lead for this activity was carried out by Mr Tirupati Iltapawar. Mr Prathamesh More was elected as the president; Ms Snehal Patil was elected as treasurer and many other volunteers to support them were also elected.

Congratulations..!

All the students of computer engineering here by informed that, we have reconstituted ASCEE (Association of students of computer engineering for excellence) committee. Students assigned with the following posts.

Sr.No.	Name of Student	Post
1	Prathamesh More	President
2	Bhushan Rajput	Vice President
3	Snehal Patil	Treasurer
4	Shailesh Yadav	Technical coordinator
5	Mrunal Phadke	Sports Coordinator
6	Ketan Kate	Secretary
	Vrushali Kadam	
7	Tejasvi Sonawale	Co Secretary
8	Prasad Angre	Co treasurer
	Priyanka Shinde	
9	Sushan Mogare	Hospitality
	Shamika Khatu	

10	Rahul More	Decoration
	Nitesh Zujam

ISTE approved STTP on “Research Methodology: Tools & Techniques From 29th June to 3rd July 2015

First Event conducted in the month of July 2015 was a STTP on topic “Research Methodology: Tools & Techniques”. It was conducted by Electronics and Telecommunication Department, Computer engineering department and Information Technology. It was conducted on 29th June to 3rd July 2015. Dr S A Patil conducted the session and inspired the participants for research work. Faculty members from all departments enthusiastically participated in this STTP. Asst Prof T Iltapawar, Asst Prof A K Mangore, Asst Prof M. Balpande, Asst Prof D G Modani, Asst Prof V N Rane, Asst Prof P P Patil and Asst Prof N P Gholap were the participants from Computer Engineering Department. STTP registration was at a minimum cost of rupees 500/ for non ISTE members and 250/ for ISTE members. STTP was conducted in 2 sessions first half was on theoretical knowledge and the second was actual practical session in which participants were asked to prepare synopsis’ s and research paper. Problem Identification & Formulation, Research Steps, Research Design, Tools and Techniques, Interpretation of data, Qualitative and Quantitative Research, Use of internet in research work and significance of report writing etc were some of the topics covered during the session. During this STTP Prof.S.R.Khedekar, Dr.Pankaj Patil, Dr.Aneesh Gangal shared their experiences while doing PhD and gave valuable information about research.

An Interesting event captured during STTP “Research Methodology: Tools & Techniques”

“Art of Living” program for students from 20th July to 25th July 2015

Our second event for the month of July was „Art of Living” program for our students to enhance their moral values and also to develop their personalities. It was a good session to refresh students from their stressful schedule. It was really a nice starting of the Academic Year 2015-16 with Art of Living Session.

A joyful Moment of Art of Living Session.

Digital Week Celebration from 3rd August to 8th August 2015

Digital India Week programmed commenced at Gharda Institute of Technology on 03/03/2015 by inauguration and introduction about the launch and mission of Digital India Program me to the students during assembly. The motto behind inaugural assembly was to make students aware regarding E-FACILITIES provided by Government of India and by the college. We were having the video of speech given by our Prime Minister Narendra Modiji at Digital India Launching Program. Each department from college is having their sessions during the week.

We have organized different session like Hardware and Networking skills under the training of Mr. M.M.Gajmal, Seminar Presentation under guidance of Prof. P.P.Patil..

Group Discussion for Third year students 24th August 2015

Our second event was group discussion which was held for third year class on 24/8/2015 in odd semester. The overall coordinator was Prof P.P. Patil. All the of the students participated in group discussion with recent development and social affairs topics. The some topics are “Rules are mean to be broken”, “Is common man satisfied with Modi Government”.

Students involved in GD

- **Teachers Day Celebration on 5th September 2015**

We have celebrated teachers Day which gives the students a confidence to handle a whole class. It also helps to improve their communication skills and interpersonal skills. It was a way for the students to show their gratitude towards their teacher. It was really a nice session for students as well as teachers.

Students while attending a class on Teacher's Day

- **Parents Meet on 26th September 2016**

Session was started from 11:00 am with welcome address of HOD Mrs. J.G.Borade. We have discussed various issues, problems, and possible solutions for them. We have 10 parents present for the session. Parents have a nice session with all the class teachers.

Formal and Informal discussion with parents

- **Computer Department has successfully conducted 2 days workshop on “Phone Gap and Hybrid Application Development and Cross Linking Platform” on September 3rd and 4th 2015.**

The workshop was conducted by Mr. Gaurav Agarwal from Techocripts. The theme of the workshop was “ Make apps the way Geeks do”. The aim of the workshop is to learn

Gharda Institute Of Technology Department of Computer Engineering

- 1) Develop your own application compatible for Android, windows, and IOs.
- 2) Learn to work on cross linking platform.
- 3) Write attractive GUI application and games.
- 4) Use built-in widgets and components.
- 5) Retrieve data from database.

Mr. Siddharth Ghavare and Mr. Mrunal Phadake were the student's coordinators of the course.

Fresher Day party for our FE & SE diploma students on 10th Sept 2015

Our next event for Month of September was fresher's party which was on 10/9/2015 it was organized by our TE and BE students for first year computer and direct diploma students in second Year. All ASCEE coordinators took lots of effort to make this event a remarkable one for our first year students. All faculty members also participated to coordinate students.

Our BE students enthusiastically participated for fresher's party

Seminar of BE and TE students on ‘Recent Technologies’ on 14th September 2015

BE students gave seminar on Recent Technologies. Topics for seminar were quite new and interesting out of them few are named here Atlas Robot, Power mat, Nike sport watch, Virtual Reality, Google VR.

Course of .Net Technology and Cloud computing from 29th Feb to 8th March 2016.

In our department we organize .Net Technology Training Course every year by ATS Infotech for third year students. We are having MOU every year with ATS for the training purpose and Microsoft Certification. This year also we organized the session from 29 Feb to 8th March 2016. Total 32 students from Third Year participated for this course. Mr. Modani was the overall coordinator for the course.

A snapshot of training session

**Seminar on “Professional Certifications Based On Industry Oriented Approaches
By Mrs. K.M.Gajmal on 30th January 2016 for Third Year Students.**

We have arranged the seminar on innovative topic “Professional certifications based on industry oriented approach” was organized. Over 35 students are took the advantage of seminar. The Resource person for this seminar was Mrs. K. M. Gajmal, Assistant Professor, Dept of Computer Engineering. Recourse Person explained the benefits of professional certification in their professional carrier. She also explained the procedure for getting professional certification and also various certification courses of following Brand Companies.

- 1) Oracle
- 2) CISCO
- 3) Microsoft
- 4) IBM
- 5) Red Hat.

Gharda Institute Of Technology Department of Computer Engineering

Also she explained the difference between the syllabus they studied and professional certification courses. She added that for getting good job in industry it is required to acquire the updated knowledge for the syllabus they studied. This requirement will be fulfilled by professional certification.

Faculty delivering a Seminar

Seminar of Third Year students on 5th March 2016 and 2nd April 2016.

We are conducting seminars of students on recent technical topics. This semester 52 students from third year delivered the seminars on different topics like Blue Eyes Technology, Brain Computing Interface. Mrs. K.m.Gajmal Ass. Prof. from computer department was the coordinator for the session.

Academic Year 2016-17(Odd Semester)

• Extra Curricular Activities

Sr.No.	Name of the Activity	Date of Activity	Target Audience
1	Conduction of Carrom Matches .	30th and 31st Aug 2016	Institute Level
2	Conduction of Table Tennis Matches.		
3	Conduction of Chess Matches.		
4	Freshers Welcome Function	4th Oct 2016	Comp Dept.
5	Participation in NSS Swacchata Abhiyan Rally	2nd Sept 2016	TE Computer Students
6	Blood Donation Camp by NSS	24th Sept 2016	TE Computer Students
7	Teachers Day Celebration	2nd Sept 2016	All students Comp/IT

• Co-Curricular Activities

Sr. No.	Name of Event	Date	Target Audience	Resourse Person if any
1	Technical Seminars by Students	6th AUG 2016 and 27th Aug 2016	TE COMPUTER/IT	NA
2	Project Seminars by Students	21st Oct 2016	BE COMPUTER/IT	NA
3	Group Discussion by students	27th Aug 2016	SE COMPUTER	NA
4	Guest Lecture on "Internetworking Using TCP/IP "	10th AUG 2016	For Comp/IT Dept all students and faculties(Attended by 70 students and 13 Faculties)	Dr. L.D. Netak.(Asso. Prof Dr. BATU)
5	One Day Seminar on "Software Testing"	18th Oct. 2016	All students Comp/IT Dept	SQUAD Infotech,Mumbai
6	Technical Events Google IT, Mini Malatia, Lan Gaming	31st Aug and 1st Sept 2016	Institute Level	NA
7	Guest Lecture and Practical Workshop on Cloud Computing	19th and 20th Oct 2016	BE IT	Mr. Deven Ketkar (FAMT, Ratnagiri)
8	Appeared for NPTEL online Exam	18th and 25th Sept 2016, 16th Oct 2016	BE, TE and SE Students	NA

Date: 22 August 2015

Congratulations..!
