Activity Report

Name of Activity: **Teacher's Day Celebration**

ASCEE team organized online meeting to celebrate Teachers Day on the occasion of the birth anniversary of our President Dr. Sarvepalli Radhakrishnan on 5th September every year.

Ms. SomyaKumari, President of ASCEE hosted this online meeting to celebrate Teacher Day.

Dr.B.A.Danawade, HOD Mechanical Engg. Department guided audience on this occasion ram

by wishing Teacher Day to all. Ms.Prachi Chavan, Vice President of ASCEE giving speech on

the life of Dr. Sarvepalli Radhakrishnan and given a message to an audience to be a responsible

citizen of India. Ms.Siddhi Ambre speech on importance of Teacher Day and contribution of Dr.

Sarvepalli Radhakrishnan for the nation. Dr.R.R.Bane guided audience with a beautiful quote

“गुरु ब्रह्मा गुरु विष्णु गुरु देवो महेश्वरः गुरुः साक्षात्परब्रह्मा तस्मै श्री गुरुवे नमः”. Finally

Students requested HOD and staff to talk on this occasion. Few staff members shared their views

on this occasion. Every Teacher always motivates and guides students to achieve success in their

life.

Ms. Yogeshwari Pujari concluded the meeting by giving a vote of thanks to everyone.

Activity Report

Name of Activity: "One Day LATEX Workshop on the occasion of Engineer's day celebration"

On the occasion of Engineer's Day the program started with tributting one of the greatest India's Engineer Bharatratna Dr.Mokshagundam Visvesvaraya, by showing a beautiful presentation by Ms.Soumya Kumari. To encourage students the use of open source platform LATEX training jointly organized by ASCEE and PULSE and invited all Computer and EXTC students to attend this training.

Prof.M.A.Khandke started training with the importance of LATEX and various benefits. Using TexWork editor he prepared various documents and as a response students also learned and prepared documents. Meanwhile Khandke sir was giving small exercises to test students' understanding and attentiveness. He covered following points in his training:

- Introduction with LaTeX
- Technical formatting commands.
- Writing lists, Equations and Matrices in LaTeX.
- Table handling, handling scientific data
- Equation referencing
- Graphical file handling,
- References and Index.
- Project report writing

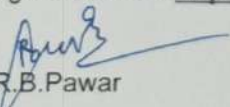

At the end Prof.R.B.Pawar taught students how to use beamer for presentation and Smart way to use Overleaf by creating an account for free for LATEX for all types of reports and ended the training session by giving a vote of thanks to all.

Name of Activity: **Cyber Security Awareness Month : ASCEE Activity Expert talk on "Career Opportunities in cyber security domain"**

Use of internet are increasing day by day, in last few years most of the work whole world doing on internet so there are more chances of Cyber attack also. As per the government of India, Cyber Cell October month is celebrated as Cyber Security Awareness month. As a part of BE computer engineering Institute level elective subject Cyber security and Laws Prof.P.V.Oak and Prof.M.A.Khandke given ideas to students then students are daily sharing one concept in graphics manner and shared on various platforms of social media. As a part of it ASCEE invited GIT's Alumni Mr.Pratik Doshi, working as IT Security Analysts in Leidos Security Detection & Automation, Luton, UK.

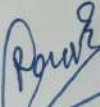

Second year computer engineering student Mr.Vinit Chavan introduced Mr.Pratik Doshi and Dr.R.R.Bane sir welcomed expert speakers. Mr.Pratik Doshi suggested various Certifications courses required to get a good job in Cyber Security Domain with a high package. Shown various names of tools required for cyber security and how to be an expert in those fields. He showed a roadmap to be a Successful Engineer and how to get various Scholarships required for admission in Foreign Universities. Many students and staff interacted with the Speaker and cleared their doubts during and after the fruitful session. ASCEE Coordinator Mr.R.B.Pawar has given a vote of thanks and concluded the session.

Subject: Letter of Thanks for delivery of a session on "Career Opportunities in cyber security domain", delivered on 09/10/2021.

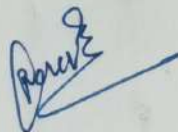

Dear Mr.Pratik,

It was an immense pleasure to listen to your session delivered on the above said topic for the students of Computer Engineering. Students are grateful for the generosity that you showed in sharing your valuable time and study materials for the Career in Cyber Security Domain. The session will definitely help students to develop their career in the Cyber Security Domain with some International Certification as suggested by you.

We express our sense of gratitude on this occasion. Such sessions will be organized in future by the institute and we expect your guidance and co-operation for the same.

Thank you once again.

Department of Computer Engineering

Ref.No.GIT/Comp.Dept./2021/
17th November, 2021

To,
Mr. Sikandar Siddiqui,
IT Administrator,
Morgan Stanley, Mumbai.

Subject: Letter of Thanks for delivery of a session on "Importance of Linux in IT Industry and Job opportunities", delivered on 6th March, 2021.

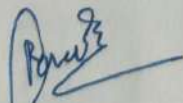

Dear Mr.Sikandar,

It was an immense pleasure to listen to your session delivered on the above said topic for the students of Computer Engineering. Students are grateful for the generosity that you showed in sharing your valuable time and study materials for the Linux / Unix domain. The session will definitely help students to develop their career in the Linux Domain with some certification like RHCE/RHCSA etc. .

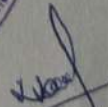

We express our sense of gratitude on this occasion. Such sessions will be organized in future by the institute and we expect your guidance and co-operation for the same.

Thank you once again.

Sincerely,

Mr.R.B.Pawar
