ASCEE ACTIVITY 2-GDSC Intro Session

A dark blue poster with abstract geometric shapes and lines. At the top center is the Google logo, followed by the text 'Google' and 'GDSC' in large, colorful letters. Below that is 'Developer Student Clubs'. On the left side, 'INTRO' and 'EVENT' are written in yellow on a dark blue background. A vertical yellow line separates this from a list of questions on the right: 'What is GDSC?', 'Why should you care?', and 'How will it benefit You?'. Below the line, the word 'Date' is written in white, followed by '24 August 2023, 3pm' in white on a yellow rounded rectangle. At the bottom, the text 'Discover, Learn, Code with GDSC' and 'Join the Tech Adventure!' is written in white. At the very bottom, the venue 'Venue - First Yr. dept. , physics hall' is written in white.

Name of Activity: **GDSC Intro Session (24/08/2023)**

ASCEE organized a GDSC Intro Session for Computer Engineering and AI & ML students on 24th August, 2023 which was conducted by the (ASCEE President) Mr. Adarsh More. The session was conducted in TE Computer class with 2nd & 3rd year students. He is a student of 3rd year in Computer engineering in our institute. He has attempted different hackathons and is also connected with many people outside the institute who are a part of GDSC. As Mr. Adarsh More was introduced, he started the session.

He started the session by showing some intro videos of GDSC. He told us about his position in GDSC, what actually GDSC is? and how to develop your skills with the help of GDSC? Also he told us on which subjects the sessions will be taken under GDSC. Later on he introduced the core team of GDSC one by one.

The session was concluded by questions and answers session. ASCEE coordinator gave a vote of thanks and ended the session.

Name of Activity:- **EC Council Webinar (19/01/2024)**

ASCEE organized a session on EC Council webinar for Cyber security and Ethical Hacking Enthusiast students on 19th Jan 2023 which was conducted by Nadeem Naeem Shaikh. The event took place in BE Classroom with SE, TE and BE students. The ASCEE President introduced him and the session started.

Nadeem Naeem Shaikh is a Certified Ethical Hacker and is currently working in Mumbai. He told us about the EC Council, when it was established etc. There are also many types of certifications such as NDE, EHE and DFE. The CEH exam is the most popular one. It includes two teams; 1. Defensive and 2. Offensive. It includes four stages 1. Learn 2. Certify 3. Engage 4. Compete. There are top 50 organizations in CEH and more than 150 countries. The duration of this exam is basically 4 hrs.

The session was very much interactive. He also mentioned that every 39 seconds there is a cyber attack. The doubts of the students related to EC council and CEH were cleared. Later on, the ASCEE Coordinator concluded the program with a vote of thanks.

Name of Activity: - **Document Controller: Career and opportunities (27/10/2023)**

ASCEE organized a session on Document Controller's career and opportunities for Computer Engineering students on 27th Oct 2023 which was conducted by Shabbir Boat. The event took place in BE Classroom with 3rd & 4th year students. The ASCEE Coordinator introduced him and the session started.

Shabbir Boat from Shringartali, located in Guhagar Taluka, Ratnagiri. Currently holds the position of India Cluster 3 Document Control Head at Worley Parsons India Ltd, responsible for Mumbai and Baroda locations. Previously, career included roles at Bechtel, Enelpower Qatar, Ras Laffan Power Company, Tecnimont India, and Tecnimont Abu Dhabi, primarily engaged in the Gasco Project. The most recent overseas venture was with Qatar Petroleum, where it was finally assigned to Malaysia. Eventually, he chose to settle in Mumbai and joined Jacobs, which was later acquired by Worley Parsons.

He told us about his entire career and how we can enter into this domain, what are the needs, work, opportunities etc. Later on, the ASCEE Coordinator concluded the program with a vote of thanks.

Name of Activity:- EC Council Webinar (19/01/2024)

ASCEE organized a session on EC Council webinar for Cyber security and Ethical Hacking Enthusiast students on 19th Jan 2023 which was conducted by Nadeem Naeem Shaikh. The event took place in BE Classroom with SE, TE and BE students. The ASCEE President introduced him and the session started.

Nadeem Naeem Shaikh is a Certified Ethical Hacker and is currently working in Mumbai. He told us about the EC Council, when it was established etc. There are also many types of certifications such as NDE, EHE and DFE. The CEH exam is the most popular one. It includes two teams: 1. Defensive and 2. Offensive. It includes four stages 1. Learn 2. Certify 3. Engage 4. Compete. There are top 50 organizations in CEH and more than 150 countries. The duration of this exam is basically 4 hrs.

The session was very much interactive. He also mentioned that every 39 seconds there is a cyber attack. The doubts of the students related to EC council and CEH were cleared. Later on, the ASCEE Coordinator concluded the program with a vote of thanks.

Report on National Level Hackathon Codebits2.0- 5th & 6th April 2024

A national level hackathon Codebits 2.0 was organized by Department of Computer Engineering and CSE(AIML) Engineering in association with "ASCEE & GDSC" on 5th & 6th April 2024. The expert and speakers invited for the event were Miss. Laisha Wadhwa(Machine Learning and Web3 expert) & Mr. Yash Adsulkar(Flutter Founder). The prize pool for the event was declared as Rs. 1.5 lakh. The sponsors for the event were TWJ, Chiplun, Bilal Electronics, Chiplun & major sponsor was Gharda Chemicals Limited.

The inaugural function of the event was conducted on 5th April at 10.30 am at College auditorium, which was attended by 140+ students(40 groups) from 16+ colleges all over India. The inauguration ceremony was conducted in presence of experts and honourable Principal, Head Administration, HOD Computer & CSE AIML, Convenor. The hackathon started at 12 noon on 5th April which ended on 12 noon on 6th April. In between pre-judgement round was conducted at 7.30 pm to 9 pm on 5th April. Later the jamming session was organized for participants at 9 pm to 10 pm to relax and break in between. On the second day, i.e. 6th April, final judgement round was conducted 12 noon onwards which lasted till 2 pm. After this round, 10 finalists were shortlisted who presented in Seminar hall in front of all participants at 2 pm onwards.

The final 10 finalists were rewarded with prized by the experts, honourable Principal, Dr. P. B. Patil, Head Administration, Col. Ratnesh Sinha, HOD Computer & CSE AIML, Dr. A. K. Mangore, Dean R&D, Dr. S. J. Kulkarni & Convenor-Codebits, Prof. S. S. Tathare. The 1st, 2nd and 3rd prizes were Rs. 50,000/-, Rs. 30000/- & Rs. 20000/- respectively. Five consolation prizes of Rs. 5000/- each were awarded to the finalists ranked 4th to 8th respectively and two consolation prizes which were gift vouchers of Bilal Electronics, Chiplun worth Rs.2500/- were awarded to finalists ranked 9th and 10th respectively. The prize distribution ceremony ended with vote of thanks given by Convenor, Prof. S. S. Tathare.

The complete event was conducted successfully by the team of students and staff attached, under the leadership of the convenor, Prof. S. S. Tathare. Codebits 2.0 was continuously supported and guided by HOD COMP & CSE (AIML): Dr. A. K. Mangore, Registrar: Prof. S. C. Munghate, Principal, Dr. P. B. Patil, and Head Administration: Col. Ratnesh Sinha.
