Department Of Computer Engineering [AY.2024-25]

ACTIVITY REPORT

Name Of Activity : **Interaction with Industry Professional.**

Date: 20/07/2024

Time: 3.00 pm to 5.00 pm.

Venue: Seminar Hall, GIT, Level

Organized By: ASCEE Committee, Computer Engineering Department.

Overview:

The ASCEE Committee of the Computer Engineering Department organized an interactive session with **Mr. Ritesh Sinha**, the Growth Lead and Founder of Porcellia. The event aimed to bridge the gap between academia and industry by providing students with valuable insights into the real-world applications of their studies and the current trends in the tech industry. Mr. Ritesh Sinha shared his journey from a tech enthusiast to becoming the founder of Porcellia. He emphasized the importance of perseverance, continuous learning, and innovation in the tech industry. He discussed the inception of Porcellia, highlighting the challenges faced and the strategies employed to overcome them.

The session was highly beneficial for the students, offering them a glimpse into the entrepreneurial world and the workings of a tech startup. It inspired many to consider innovative approaches in their projects and careers. The feedback from participants was overwhelmingly positive, with many expressing a desire for more such interactions in the future.

The event was a resounding success, fulfilling its objective of connecting students with industry leaders and enriching their educational experience. The ASCEE Committee extends its gratitude to Mr. Ritesh Sinha for sharing his valuable time and insights, and looks forward to organizing similar events to continue fostering industry-academia relationships.

ACTIVITY REPORT

Name Of Activity : **Aptitude Guidance Session.**

Date: 31/07/2024

Time: 11.00 am to 12.00 pm.

Venue: Seminar Hall, GIT, Lavel

Organized By: ASCEE Committee, Computer Engineering Department.

Overview:

The ASCEE Committee of the Computer Engineering Department organized an interactive session with alumni **Mr. Roshan Jadhav and Mr. Sahil Kokate**, the session was highly beneficial for the students, offering them a glimpse into the entrepreneurial world and the workings of a tech startup. It inspired many to consider innovative approaches in their projects and careers. The feedback from participants was overwhelmingly positive, with many expressing a desire for more such interactions in the future.

The event witnessed a significant turnout of alumni from diverse industry backgrounds. The alumni actively engaged with the students, sharing their experiences and offering valuable advice on how to prepare for various stages of the placement process. Their involvement and interaction with the students created a conducive environment for mentorship and knowledge sharing.

The event successfully equipped students with the necessary tools and knowledge to navigate the complexities of the placement process and emerge as competitive candidates in the industry. For this event there are 70 plus student was present to attend the session. ASCEE Committee extends its gratitude to Mr. Roshan Jadhav and Mr. Sahil Kokate for sharing his valuable time and insights, and looks forward to organizing similar events to continue fostering industry-academia relationships.

Department Of Computer Engineering [AY:2024-25]

ACTIVITY REPORT

Name Of Activity: Guidance Session by Alumini.

Date: 03/08/2024

Time: 10.00 am to 11.00 am.

Venue: Computer Engineering Department, GIT, Lavel

Organized By: ASCEE Committee, Computer Engineering Department.

Overview:

The ASCEE Committee of the Computer Engineering Department organized an interactive session with alumini **Miss Amisha Modak and Miss Prachi Chavan**, the session was highly beneficial for the students, offering them a glimpse into the entrepreneurial world and the workings of a tech startup. Both alumni have successfully secured positions at Redhat Company and generously decided to share their experiences and insights with the current students.

The session was primarily focused on providing guidance and advice to students regarding placements and interviews. Miss Amisha Modak and Prachi Chavan shared their personal experiences, discussed the recruitment processes at Redhat Company, and provided valuable tips for excelling in interviews. Their involvement and interaction with the students created a conducive environment for mentorship and knowledge sharing.

The students found the session to be extremely informative and engaging. It was a great opportunity for them to learn from the real-life experiences of the alumni who had walked the same halls not too long ago. The guidance provided by the alumni has significantly contributed to the students' understanding of the industry and has motivated them to strive for success in their future endeavors. For this event there are 80 students was present to attend the session. The ASCEE extends its heartfelt thanks to Miss Amisha Modak and Prachi Chavan for their valuable time and efforts in conducting the guidance session. Their willingness to give back to their alma mater and help the current students is genuinely appreciated.

Department Of Computer Engineering [AY:2024-25]

ACTIVITY REPORT

Name Of Activity: Announcement of new club

Date: 03/08/2024

Time: 11.00 am to 12.00 pm.

Venue: Computer Engineering Department, GIT, Level

Organized By: ASCEE Committee, Computer Engineering Department.

Overview:

The ASCEE Committee of the Computer Engineering Department are delighted to announce the establishment of new clubs in our department, namely Web Development, Ethical Hacking, UI/UX, and Android Development. These clubs have been specifically created for the second and third-year students of our department. It is important to note that these clubs will be exclusively managed and led by the third-year students.

The primary objective behind the creation of these clubs is to provide a platform for students to enhance their practical skills and gain hands-on experience in their respective fields of interest. The clubs aim to foster a collaborative learning environment, where experienced students can impart their knowledge and expertise to their peers. These clubs will not only serve as a medium for skill enhancement but also as a forum for like-minded individuals to come together, share ideas, and work on projects collectively. Additionally, the initiative to have the third-year students take the lead in mentoring their juniors is a commendable approach that will not only benefit the second-year students but also contribute to the overall growth and development of the third-year students.

We are optimistic that the establishment of these clubs will greatly enrich the educational experience of the students, providing them with practical exposure and fostering a spirit of collaboration and learning within our department. We extend our best wishes to the club leaders and participants for a successful and fulfilling journey ahead. For this event there are 50 plus students was present to attend the session. The ASCEE extends its heartfelt thanks to all second and third year students of Computer Engineering Department.

ASCEE ACTIVITY 5 – LinkedIn Session

GHARDA INSTITUTE OF TECHNOLOGY
ASSOCIATION OF STUDENT OF COMPUTER ENGINEERING FOR
EXCELLENCE

— ORGANIZED BY —

CONNECT, GROW, SUCCEED

LinkedIn Strategy Session.

SPEAKER

Mr. MAYUR KATKAR.

Technical & Soft Skill Trainer at FACE Prep.

Mrs. Vaishali Rane
ASCEE STAFF CO-ORDINATOR

Prafull kaddam
ASCEE PRESIDENT

ORGANIZED BY -

ASCEE (Computer Department) in association with T&P Cell GIT

Department Of Computer Engineering [AY:2024-25]

ASCEE

ACTIVITY REPORT

Name of Activity: LinkedIn Strategy Session

Date: 12/08/2024

Time: 10.00 am to 4.00 pm.

Venue: Auditorium (EXTC Dept.), GIT, Lavel

Organized By: ASCEE Committee, Computer Engineering Department.

Overview:

The ASCEE Committee of the Computer Engineering Department organized A session on creating and utilizing a LinkedIn account was held at our college, featuring Mr. Mayur Katkar as the speaker. Mr. Mayur Katkar provided detailed guidance on setting up a LinkedIn account and utilizing its features.

In addition to demonstrating how to create and use a LinkedIn account, Mr. Katkar provided valuable insights on leveraging LinkedIn for job hunting for final year students and seeking internships for second and third year students. The session was informative and beneficial for all the students in attendance.

Key points covered in the session:

- Step-by-step guidance on creating a professional LinkedIn profile and utilizing the premium features offered by LinkedIn, with a special 6-month premium access extended to all students from every department.
- Guidance on leveraging LinkedIn for job search opportunities for final year students and internship prospects for second and third year students.

It's worth mentioning that the event was organized by ASCEE Committee (Computer Department) in collaboration with the Training and Placement Cell. For this event there are 80 students was present to attend the session. The ASCEE extends its heartfelt thanks to Mr. Mayur Katkar for their valuable time and efforts in conducting the session.

Department Of Computer Engineering [AY:2024-25]

ASCEE

ACTIVITY REPORT

Name of Activity: Teacher's Day and Engineer's Day Celebration.

Date: 25/09/2024

Time: 11.00 am to 12.00 pm.

Venue: BE Computer Classroom, GIT, Lavel

Organized By: ASCEE Committee, Computer Engineering Department.

Overview:

The ASCEE Committee of the Computer Engineering Department organized Teacher's Day and Engineer's Day celebration to express their gratitude for the immense contribution put forth by their teachers towards their development. The function took place in the BE Computer class of the collage

The event was a grand success, with all teachers, including the Head of the Computer Department and all faculty members, being invited to participate. The event kicked off with a warm welcome extended to the teachers, setting a positive tone for the rest of the hours.

Following the welcoming ceremony, a series of engaging games were organized for the teachers, fostering a sense of camaraderie and fun. It's worth noting that the event was well-organized and executed by the ASCEE committee, ensuring a memorable and enjoyable experience for all participants.

For this event there are 50 students was present to attend the session. The ASCEE extends its heartfelt thanks to all faculty of computer department for their valuable time.

Department Of Computer Engineering [AY:2024-25]

ASCEE

ACTIVITY REPORT

Name of Activity: Data Visualization

Date: 27/09/2024

Time: 10.30 am to 12:00 pm.

Venue: T.E. and B.E Computer classroom, GIT, Level

Organized By: ASCEE Committee, Computer Engineering Department.

Overview:

The ASCEE Committee of the Computer Engineering Department organized an engaging online session focused on Data Visualization. The event brought together industry experts who shared invaluable insights into the world of data visualization and its applications across various sectors.

The distinguished guest speakers for the event included Mr. Alkesh R. Patel, an Oracle Certified Professional DBA renowned for his expertise in Oracle APEX development, Mr. Kalpesh Patel, an experienced Oracle Database & APEX developer who has made significant contributions to FES's data infrastructure, Mr. Balachander T., a seasoned freelance consultant with 24 years of experience in land & water resources & open data, & Mr. Mohammad Rehan Moini, a distinguished Project Management Professional specializing in MIS systems. The experts provided a comprehensive exploration of Management Information Systems and its pivotal role in driving analysis and visualization practices within industries. They offered detailed insights into the practical utilization of the powerful data visualization tool, Power BI, and its implications in real-world industry scenarios.

The event served as an enriching and enlightening experience for the attendees, equipping T.E & B.E students with a profound understanding of the practical applications & significance of data visualization in professional settings. Overall, the session proved to be a valuable platform for students to gain in-depth knowledge and insights into the dynamic field of data visualization and its far-reaching implications in industry practices. The ASCEE extends its heartfelt thanks to guests for their valuable time and efforts in conducting the session.

ASCEE ACTIVITY 8 – Fresher’s Party Celebration

A vibrant poster for a party event. The background is dark blue with purple and pink nebulae and stars. At the top left is a crest with 'ASCEE' and 'COMPUTER DEPARTMENT'. At the top right is a circular logo with 'AI' and 'ASSTUT' and 'ASSTUT UNIVERSITY'. The main title 'PARTY EVENTS' is in large, bold, yellow and white letters. Below it are five activity categories, each with an icon and text: 'ELECTRIFYING DANCE PERFORMANCES (SOLO/ GROUP)' with a dancing couple icon; 'MELODIOUS SINGING ACTS' with a singer icon; 'FUN GAMES & CHALLENGES' with a puzzle icon; 'DELICIOUS REFRESHMENTS' with a chef's hat icon; and 'EXCITING SURPRISES' with a gift box icon. At the bottom, the party theme is 'RED & BLACK' in a black box. Contact information is at the very bottom.

The ASCEE Committee of the Computer Engineering Department and BRAINS Committee, AIML Department organized The Fresher Party for first-year students and second-year direct entrants specifically from the Computer and AIML departments was successfully held on 29 January 2025. The event was took place in the auditorium, which provided an excellent setting for interaction and celebration.

The presence of the department faculty added a significant touch to the event, demonstrating their support and encouragement for the students. Throughout the two hours, a lively atmosphere prevailed, with various activities and entertainment that engaged the attendees.

Overall, the event was a resounding success, and everyone enjoyed themselves thoroughly. It served as a wonderful opportunity for newcomers to mingle with seniors and faculty, fostering a sense of community within the Computer and AIML departments. We appreciate the efforts of everyone involved in making this event memorable and look forward to similar gatherings in the future.

ASCEE

ACTIVITY REPORT**Name of Activity:** Session on Red Hat, Linux and Devops**Date:** 12/02/2025**Time:** 7:00 pm. Onward**Venue:** Online [Google Meet]**Speaker Name:** Mrs. Bhagyashree Bhat (Director BITS)**Organized By:** ASCEE Committee, Computer Engineering Department.**Overview:**

The ASCEE Committee of the Computer Engineering Department organized an enlightening online session focused on Red Hat, Linux, and DevOps in collaboration with Bhagyashree IT Solutions (BITS). The session aimed to provide participants with insights into these technologies and their relevance in today's IT landscape. The session commenced with Mrs. Bhat, the Director of BITS, guiding participants through the essentials of Red Hat. She explained what Red Hat is and its significance in the open-source community and enterprise solutions. The speaker provided foundational knowledge about Red Hat, its history, and its role in software development. Mrs. Bhat elaborated on the various certifications offered by Red Hat, discussing the prerequisites, preparation strategies, and the benefits of obtaining these certifications for career advancement.

They were introduced to the Linux operating system, its architecture, and its importance in server management and software development also the speaker highlighted the principles of DevOps, its practices, and the tools commonly used to integrate development and operations in IT environments.

Overall, the session was a success, providing valuable knowledge and resources for attendees interested in expanding their understanding of Red Hat, Linux, and DevOps. Participants left with an enhanced appreciation for these technologies and clear guidance on how to pursue further studies and certifications. The ASCEE extends its heartfelt thanks to guests for their valuable time and efforts in conducting the session.

ASCEE

ACTIVITY REPORT**Name of Activity: Information Technology Industry Overview and Outlook****Date:** 15/02/2025**Time:** 10:30 am. to 11:30 pm. **Venue:** Seminar Hall**Speaker Name:** Mr. Rajendra Shinde, Director (Solutions), Caggemini, Mumbai**Organized By:** ASCEE Committee, Computer Engineering Department.**Overview:**

The ASCEE Committee of the Computer Engineering Department organized an engaging session titled "Expert Talk on Information Technology Industry Overview and Outlook". The session featured Mr. Shinde, a distinguished professional and Director of Solutions at Caggemini, who shared his extensive knowledge & experience in the IT industry. Mr. Shinde began the session by introducing himself & providing insights into his career journey, highlighting key experiences that shaped his professional path in the technology sector.

The talk progressed into an informative overview of the IT service sector. Mr. Shinde covered essential aspects of information technology, including the services offered by IT service companies. He elaborated on the current landscape of the industry, identifying major trends and opportunities for growth. Key topics discussed included the importance of digital transformation, cloud computing, data analytics, and cybersecurity. Additionally, Mr. Shinde presented an overview of the top technologies currently being utilized in the industry.

Overall, the session was highly engaging and provided valuable insights into the information technology industry. Attendees left with a deeper understanding of the sector and its future outlook, inspired by Mr. Shinde's expertise and real-world experiences. The ASCEE extends its heartfelt thanks to guests for their valuable time and efforts in conducting the session.

ASCEE ACTIVITY 11 - Hackathon Codebits 3.0

The poster for Codebits 3.0 features a dark blue background with glowing green accents. At the top, it displays the logos for GIT Gharda Institute of Technology and GF Gharda Foundation. The main title 'CODEBITS 3.0' is in large, bold, glowing green letters. Below the title, it states '2 Day Long National Level Hackathon'. Three circular icons highlight key features: '10 Teams', 'Prize Pool ₹20,000/-', and 'Attendees Will get a Swag & Souvenir'. The 'SPEAKERS' section includes three portraits with names and titles: Adwait Sharma (Software Engineer), Rishikesh Kale (Developer Advocate), and Sumersingh K Rajpurohit (Executive of Last Minded Station). The 'THEMES & TRACKS' section lists 'Education & EdTech', 'Health & Wellness', and 'Hack for good (open innovation)'. A podium graphic shows prize amounts for 1st (100,000), 2nd (50,000), 3rd (30,000), and 4th (10,000) places. Two callouts mention 'Free accommodation within the campus' and 'Breaks will be available within the campus'. The bottom of the poster provides the dates (6 March - 7 March), location (Gharda Institute of Technology), and social media handles for the event.

Report on National Level Hackathon Codebits 3.0 – 6th and 7th March 2025

A national level hackathon Codebits 3.0 was organized by Department of Computer Engineering and CSE (AIML) Engineering in association with "ASCEE & BRAINS" on 6th & 7th March 2025. The expert and speakers invited for the event were Mr. Rishikesh Kale (19X Web3 Hackathon Winner), Sumersingh Rajpurohit (Founder @Last Movement Tutlon) & Adwait Sharma (Software Engineer @Contentstack Co-Founder @Last Movement Tutlon). The prize pool for the event was declared as Rs. 1.9 lakh. The sponsors for the event were Scon projects - clothing sponsor, Aarekar institute of technology, Vaidya furniture, Manisha hotel.

The inaugural function of the event was conducted on 6th March at 10.30 am at College Library, which was attended by 151 students (34 groups). The inauguration ceremony was conducted in presence of experts and honourable Principal, HOD Computer & CSE AIML, Convenor. The hackathon started at 12 noon on 6th March which ended on 12 noon on 7th March. In between pre-judgement round was conducted at 4 pm to 7 pm on 6th March. Later the jamming session was organized for participants at 10:30 pm to 12 am to relax and break in between. On the second day, i.e. 7th March, final judgment round was conducted from 11 am onwards and lasted until 2 pm, after which 10 finalists were shortlisted, and out of them, four outstanding finalists were selected.

The four outstanding finalists were celebrated with heartfelt recognition and prizes, reflecting the dedication of our esteemed experts: HOD Computer Dr. J. V. Khalkar, CSE AIML Prof. S. D. Latker, and Codebits conveners Prof. V. N. Rane and Prof. V. S. Kolge. The competition offered commendable prizes, including Rs. 1,50,000/- for the first-place winner team 90+2, Rs. 50000/- for the second-place winner team Iterative Bytes, Rs. 30000/- for the third-place winner team 4 Bytes, and Rs. 10000/- for the fourth positions team Beyond Barriers.

This event was a true testament to the hard work and passion of the entire team of students and faculty, who came together under the nurturing leadership of conveners Prof. V. N. Rane and Prof. V. S. Kolge. Codebits 3.0 flourished because of the continuous encouragement and support of HOD COMP Dr. J. V. Khalkar, CSE (AIML) Prof. S. D. Latker, Registrar Prof. S. C. Munghate, Principal Dr. P. B. Patil, and Head of Administration Col. Ratnesh Sinha. Their unwavering commitment not only made the event a success but also fostered a sense of community and belonging, reflecting the potential and talent within each participant. We celebrate not just the winners, but the spirit of perseverance and collaboration that made this experience truly meaningful for everyone involved.
