

ALUMNI NEWSLETTER

2022-23

Department of Civil Engineering

Gharda Institute of Technology

NAAC Accredited, Affiliated to Mumbai University, AICTE approved, Recognized by DTE
A/P Level, Taluka Khed, Dist. Ratnagiri - 431708

Alumni Coordinator: Dr. Y. R. Kulkarni

Contact: +91-8888381056

Email: yrkulkarni@git-india.edu.in

Message from Principal:

Dear Alumni,

I am happy to share with you this newsletter and the activities we conducted for the overall grooming of the students for the betterment of the society. I congratulate the pass out batch of the academic year 2021-22 and wish them great success in future. We are rigorously working on the development of infrastructure, facilities and the most important, Teaching and learning processes. One of the significant facilities we have started is the college transport system. We are also extending our industry interaction through various MOUs and collaborations. We invite you also for such interaction and collaborations, particularly the entrepreneurs with their unique ideas. At the end note, I wish a bright future for all alumni of GIT.

Dr. S. K. Patil

Message from Head of Department:

It gives me immense pleasure to bring this newsletter to alumni for the academic year 2022-23. The purpose of this newsletter is to bring updates about the department for the year. Our institute will be facing NAAC accreditation for the second cycle. We also have strengthened our physical infrastructure, more online connectivity (due to Covid pandemic) and social outreach activity. I hope all of you are doing well and must be busy with your activities. I would like to request you for your participation during the NAAC visit. This will be a small gathering for you as well. The date and timing for the visit will be informed to you

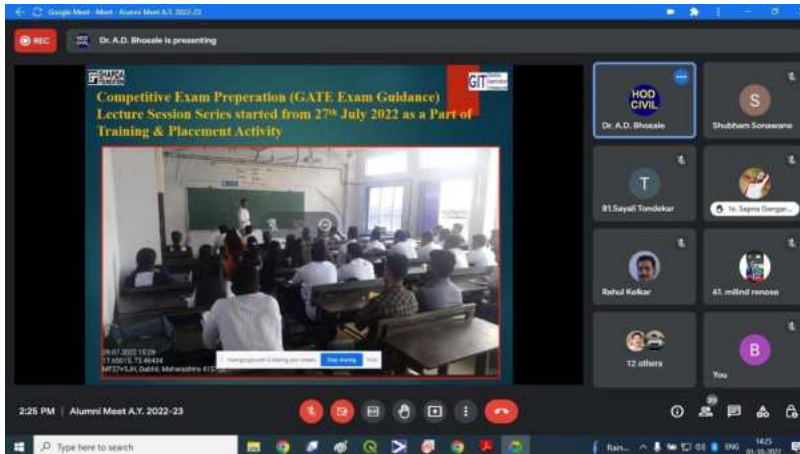

through whatsapp group. Once again, I wish all of you great success in future and a very happy new year ahead.

Thanks....

Dr. A. D. Bhosale

1. Alumni Meet...

1. Alumni meet for Civil Engineering department was conducted in online mode on 01 October, 2022 (2 to 5 pm). About 31 alumni, mostly from recent batches, join the meet.

Meet starts with brief information about activities conducted in the current sem from the Head of Department, Dr. A. D. Bhosale. Alumni shared their current status of employment. Mr. Aditya Jadhav explains the processes of admission in universities abroad. Mr. Shubham Sonawane recently joined the Knest

Aluform company in Pune and he also shared his experience with the recruitment process. Meeting ends with a vote of thanks by meet coordinator Dr. Y. R. Kulkarni.

2. The institute level alumni meet was conducted on 9th April 2023 along with the Convocation ceremony of the pass out batch 2021-22. The alumni meet was attended by mostly the pass out students of the same batch. In this meet, alumni shared their views on the teaching learning process and infrastructure at GIT. As a representative of Civil dept, Mr. Saurabh More expressed his views about the department and faculty.

2. Activities...

● 3 Days workshop on “Applications of GIS & RS in Civil Engineering”, 22-24 Sep. 2022

- A Three Days workshop on “Applications of GIS & RS in Civil Engineering” was arranged from 22nd to 24th September 2022 by the department to enhance the knowledge of GIS & Remote sensing amongst the students. The workshop was coordinated by Prof. V. R. Kasar. This workshop focused mostly on the basics and applications of the GIS system. Prof. Dr. Vidula Swami, KIT, Kolhapur delivered a session on automatic watershed delineation and assessment. Dr. Biswajita Mohanty from VIT Vellore delivered an online session on use of remote sensing techniques for various environmental and water

resource assessment parameters. Dr. Y. R. Kulkarni delivered other sessions and hands-on training sessions for the rest of 2 days. Around 45 students attended the workshop and benefited.

● Rural Water Supply Training Workshop, 24-25 April 2023

- A two day workshop on Rural water supply system assessment was carried out by the department of Civil engg. GIT in association with CTARA, IIT Bombay from 24-25 April 2023. The workshop was focused on the RWS scheme assessments from Ratnagiri district and several faculty members and students were part of this assessment. The workshop was enlightened by the team of

CTARA IIT Bombay and they thoroughly discussed the plan of action. Around 47

participants including three final year project groups (around 12 students), 2 alumni and 6 faculty members benefited from this workshop.

- **AMPSA-2023, 23-25 March 2023**

- The institute had arranged a 3 Day national level conference on Advances in Materials and Processes for Sustainable Applications (APMSA-2023) from 23th to 25th March 2023. The conference was arranged with the aim to inculcate the R&D culture amongst the students and faculty members of GIT. The department faculty and students have submitted abstracts and presented papers.

- **Workshop on Structural design using E-Tab & RCDC software, 26 June-6 July, 2023**

- Two week workshop on Structural design using E-Tab & RCDC software was organized on 26 June-6 July, 2023 by department. This workshop was focused on the detailed hands on experience of E-Tab software to students and faculty members. The workshop was carried out by Software Academy For Civil Engineers (SACE), Pune. Mr. Divanshu Parnami, Director of SACE directed students about the applications and usefulness of the structural softwares and their future prospects. The workshop was of total 60 hours and around 70 students have participated.

3. Achievements...

- **NAAC Accreditation with A grade in 2nd Cycle**

- The institute is accredited by NAAC with A grade (3.22 CGPA) for the 2nd cycle in January 2023 . This achievement of the institute was highly appreciated by the various stakeholders and the GITians are very thankful to all of them who supported during this process. The overall NAAC accreditation process was led

by Dr. S. K. Patil Head of civil dept and principal. The consultancy work of the civil engineering department was highly appreciated by the NAAC peer review team. They also acknowledged the various projects undertaken by students through various social activities like Ferrocement tank (guided by Prof. Parulekar) and RWSS projects (Guided by Prof. Kasar).

- **Ms Shruti Sawant secured 2nd rank at Zonal level in University of Mumbai Youth Festival.**

- Ms. Shruti Sawant of TE class secured 2nd rank at Zonal level in University of Mumbai 55th Youth Festival conducted on 14 sep. 2022. She participated in the Indian light solo vocal competition. She also secured first position at the institute level cultural programme Synergy-2022.

- **Mr. Nauman Maldar (Alumnus) received Provost Doctoral Fellowship**

- Mr. Nauman Maldar, Alumnus of batch 2017 received Provost Doctoral Fellowship to carry out doctoral work at Stevens Institute of Technology, United States. He has started his doctoral program from Fall 2022.

-

- **Dr. Y. R. Kulkarni published 2 research papers & received a grant of Rs. 20,000 from CSIR for the conference.**

- **Prof. V. R. Kasar received funding of Rs. 46,310 for organizing RWSS Workshop.**

- **Prof. V. R. Kasar and Prof. V. D. Kamble registered for the Ph.D. at S.P. Pune University**
