

At & post Level, Tal Khed, Dist Ratnagiri, pin 415708

Chemical Engineering Department

Date: -08/12/2018

The department of chemical engineering conducting expert lecture on "" The following details for the same.

Date: - 08/11/2018

Time: - 11.00 am to 1.00 pm

Venue: - B.E chemical Class Room

Resource person: - 1) Mr. Prashant Bapat

2) Mr Abhijeet Ghagare

3) Mr. Prasad Kagane

Participation of students: - 25

Name of Student coordinator: - Prof. Rohit Nalwal

Name of staff coordinator: -

The resource from vinati organs LTD, MIDC Lote. There resource persons are working in same industry. Mr. Prashant Bapat is working as Field officer and control room in vinati organics LTD. He is having 4 years of industrial experience, working as chemical engineer. During expert lecture he has explained about manufacturing, production, different unit operation unit process in industry. What is roll and responsible of chemical engineers in industry. The Mr. Anhijeet Ghagare is discussed about reactor handling and pressure temperature control of reactor.

Following snap shot of felicitation Gharda Institute Student (Alumina) from Prof. Rohit G. Nalwal Sir.
