A Report on Tech Talk at GIT 2025-26 Odd Sem

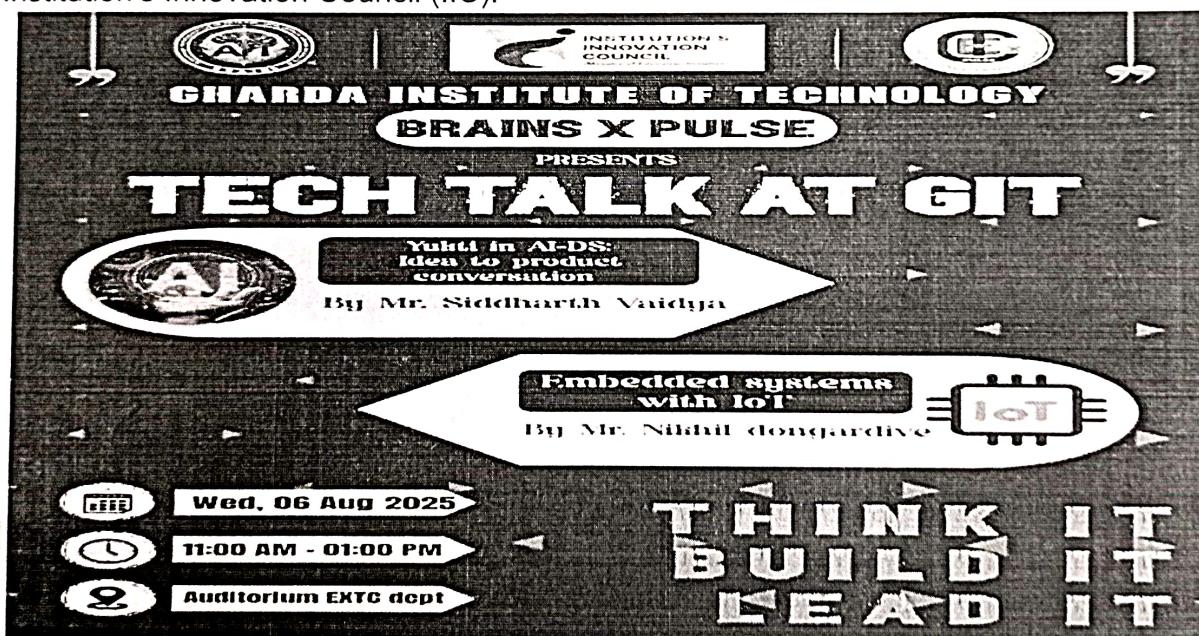

Date : Wednesday 6th August 2025

Time : 11:00 am to 1:00 pm

Mode of Conduct: Offline

Venue : Auditorium

The event "Tech Talk at GIT" was jointly organized by the Department of Computer Science and Engineering (AIML) under BRAINS and the Electronics and Telecommunication Department (EXTC) under PULSE, in association with the Institution's Innovation Council (IIC).

Arun R Dhang
Dr. Arun R Dhang
Brains Staff Coordinator

Sachin D Latkar
Prof. Sachin D Latkar
HOD CSE(AIML)

Head
Department of Computer Science & Engineering
Artificial Intelligence & Machine Learning
Gharda Institute of Technology
A.P. Lavel, Tal. Khed, Dist. Ratnagiri 415708

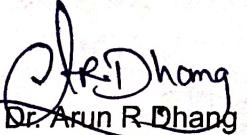

Information regarding the seminar was circulated among all the students of S.E., T.E., and B.E. from the CSE (AIML) and EXTC departments through WhatsApp groups and formal notices. The event started with a welcome note and a brief introduction by the anchors. The sessions commenced directly after introducing the guest speakers, without a formal address by the HOD.

The first session of the event, titled "Yukti in AI-DS: Idea to Product Conversation," was delivered by Mr. Siddharth Vaidya. He provided deep insights into how ideas in the field of Artificial Intelligence and Data Science can be transformed into real-world products. He highlighted essential steps from conceptualization to product development while addressing challenges faced during implementation. After the main session, a doubt-solving session was conducted in another classroom specifically for students interested in discussing further queries and technical doubts with Mr. Vaidya in a more interactive setting.

The second session was conducted by Mr. Nikhil Dongardive on the topic "Embedded Systems with IoT." He explained the fundamentals of embedded systems and their integration with the Internet of Things (IoT), highlighting several practical use cases and applications in the industry. His session was informative and highly appreciated by students from both departments.

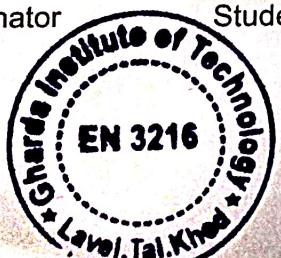

During the event, both guest speakers, Mr. Siddharth Vaidya and Mr. Nikhil Dongardive, were felicitated by Prof. Sachin Latkar, Prof. P. K. Khedekar, and Prof. S. S. Gajmal, in appreciation of their contribution and presence. The students remained attentive and interactive throughout both sessions, and a formal Q&A session followed each talk, where students had the opportunity to clarify their doubts.

The seminar concluded with a vote of thanks, acknowledging the efforts of the guest speakers, faculty coordinators, and the active participation of the students. Overall, the event was informative, inspiring, and successful in achieving its goal of providing valuable industry-relevant knowledge to the students. The session officially ended at 01:00 PM.
